Yobs sniff burning DOG MESS to get high

By BARNEY SAMUELS
news@sundaysport.co.uk

ADDLED youths are setting fire to DOG WASTE bins – then sniffing the fumes to get high!

The revolting new craze came to light after a dog walker stumbled across a group of hooligans who she believed had set the red waste bin on fire.

Sue Probert, 51, lives in Glen Parva, Leics, and was out walking her dog with her husband when they saw a plume of smoke at around 7pm.

"We went to take our dog for a walk by the Glen Parva Manor and we got to the bridge on Westminster," she said.

"We were going over the bridge on the other side of the slope when my husband said 'what's that?'

Smells

"He had seen smoke on the other side of the bridge."

The couple walked round to inspect what was happening and said they saw "at least six lads" stood around a dog waste bin that was ablaze.

"I asked them what they were doing, and they said 'it smells nice', I said 'really?'

"Then the lairy one said 'It's funny, dog poo gets you high'.

"I said 'see that camera, smile for it, you're all on it really clear' – there isn't really a camera there but it worked."

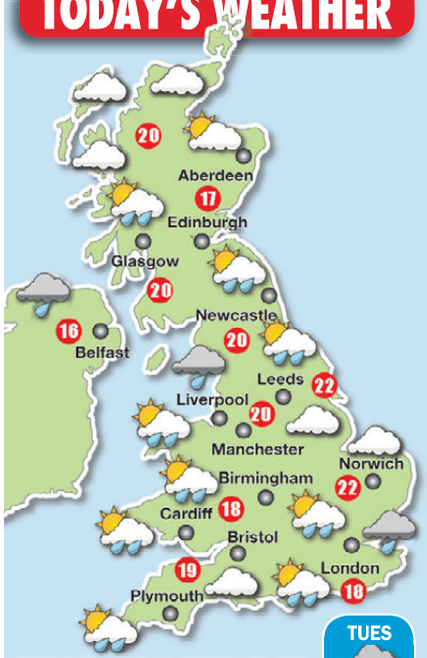
Following this she said the youths ran off – one of them shouting "love you" as they left, leaving the bin and its post on fire.

Minutes later the fire had gone out however, so Leicestershire Fire and Rescue Service were not called.

The incident has been reported to the police.

There is no evidence to suggest inhaling fumes from dog waste can get you high.

TODAY'S WEATHER



WET 'N' WARM

A BAND of rain will sweep across the UK today. Some spells of rain could be rather heavy, particularly in the west.

It should still remain relatively warm though, for what it's worth.

Temperatures of 18C in London and Cardiff, 20C in Manchester, 16C in Belfast and 17C in Edinburgh.

A dry start for most tomorrow as the rain clears, but the respite will be short-lived as another band of rain moves in to the south-west later on.

Temperatures of 19C in London 18C in Cardiff, 19C in Manchester, 15C in Belfast and 17C in Edinburgh.

OUTLOOK: Rather unsettled.

Noisy drunks top workplace gripes

COLLEAGUES being drunk, "barking" in the office and a colleague having sex with someone's wife were just some of the office grievances uncovered in a survey of UK workplace gripes.

Brassed-off Brits were quizzed about their general workplace bugbears yet the 1,000 respondents took the opportunity of anonymity to voice what REALLY annoyed them in the office.

One worker revealed his biggest work complaint was when someone had sex with his wife, while another was sent dizzy watching a colleague circling the office in a bid to boost their Fitbit step count.

The survey by online printing firm Instantprint revealed poor personal hygiene, eating smelly food and people taking frequent smoking breaks were also revealed as issues.

Instaprint boss James Kinsella said: "This gives us an insight into what may be causing distracting irritations for teams and managers the opportunity to address them before they have negative impacts."

Lineker's horror at Gazza's bathtime plops

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

CRISP salesman Gary Lineker lived in fear of his England team-mate Paul Gascoigne SHITTING in the communal bath!

Opinionated Twitter fan Lineker – who also presents BBC's *Match of the Day* football show – made the revelation in a new book.

Lineker has penned *Behind Closed Doors*, a book based on the football podcast he presented with Danny Baker – sacked by the Beeb earlier this year.

In the book, Lineker writes: "And then there was the communal bath. You wouldn't want to find yourself in the bath at the same time as Gazza. Things would appear… things that floated.

"Permit me to draw a veil there."

Although Gary does not explicitly mention plop, the implication is quite clear.

Gascoigne had a reputation as a prankster in the England camp, famously wearing plastic breasts and bursting into tears during the Italia 90 World Cup.

He now struggles with booze while Lineker has decided to take a BBC pay cut after it emerged old ladies were having their free TV licences taken off them to help pay his wages.

Last night a source close to Gazza said: "Shitting in the bath. Aye, that sounds like Gazza!"

TORY toff Jacob Rees-Mogg is "carefully considering" an idea from his image people that he should play a cameo in *Coronation Street*.

The 50-year-old MP for North East Somerset (*left*) and Leader of the House of Commons is known as the Honourable Member for the 18th Century thanks to his otherworldly ways.

And it's not thought that he's ever watched the Manchester-based soap.

But his people reckon a spell on the famous cobbles would be just the ticket to improve his public profile.

A Westminster source said: "Jacob is not exactly 'of the people'– folk tend to see him as an out-of-touch posh toff. A couple of episodes of *Corrie* and they would all warm to him.

"He could be Emily Bishop's rich nephew or maybe a great-grandson of Ken Barlow's old English teacher."

An ITV source said: "We're open to all ideas."

Spunky hairdo at Eton is the secret Cameron does NOT reveal in his 'tell-all' book

DAVID Cameron used his OWN SPUNK as hair gel to fashion a Morrissey-style quiff while at Eton, a former schoolpal has sensationally claimed.

But you can search the pages of the former PM's £800,000 memoirs and FAIL to find a single mention of his jizz-fuelled antics!

Vincent "Tuppy" Wilson, who was at the posh public school at the same time as Cameron, said: "Cameron was big into The Smiths at the time and Morrissey was his hero – this was before Morrissey became a big old racist, of course.

"But hair gel was banned at Eton for being 'common' so the boys had to improvise. Some used mud from the rugger field, but Cameron – who was very bright – thought that semen was ideal.

"Even though it was Eton, he did not fancy having anyone else's semen in his hair, so he used his own.

"He must have wanked quite a lot as he always had an extraordinary quiff."

Wilson, who now captains a sludge boat on the River Weaver between Northwich and Winsford, said: "We all knew Cameron was destined for big things when he came up with the hair spunk idea.

"He was known for years afterwards as 'Spunky Hair Cameron' but that was from

If Cameron comes near my pig I'll kill the c**t

DAVID Cameron's denial that he performed a sex act with a dead pig while at university cuts no ice with porker breeder Talbot Simpson.

Because the 40-year veteran of breeding Gloucester Old Spot hogs near Wantage, Oxon, said last night: "If that man comes anywhere near my pigs, I'll kill the ct.**

"Believe you me, I'm willing to do time!"

Ludicrous

After years of silence, Mr Cameron finally denounced the pig allegations as "false and ludicrous".

The former Prime Minister took a swipe at the co-authors of the book in which the story first appeared – former Tory treasurer Michael Ashcroft and journalist Isabel Oakeshott – by saying he could not believe anyone could have been so "stupid" as to print it.

The former Tory party leader made a point of not responding when the pair's 2015 biography repeated an uncorroborated anecdote that as an Oxford University student he had inserted "a private part of his anatomy" into a dead pig's mouth as part of the process of joining the exclusive Piers Gaveston Society.

Ms Oakeshott admitted at the time that, while they had been told the story by a former MP, "we don't say whether we believe it to be true".

But Talbot said: "There's no smoke without fire. If he touches my pig, I'll not be responsible for my actions."

people who admired him for his spunk.

"And when hair gel spunk was later used in the 1997 movie *There's Something About Mary*, we all reckoned they must have heard the story of David Cameron's hair from an old Etonian."

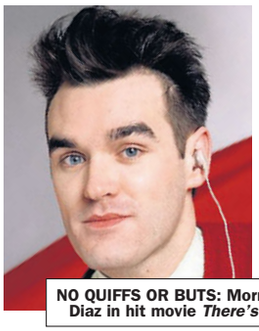
Wilson, who says he's lost contact with Cameron over the years, said: "I've written to him a couple of times over the years but I've never heard anything back.

"Busy being an ex-PM, I suppose."

Meanwhile, David Cameron has been touring the TV and radio studios to plug his book – all profits from which will go to charity.

And the strain seemed to be getting to him, as he accidentally swore on live TV on *This Morning*.

The former Prime Minister made the comments while appearing alongside his wife Samantha on Thursday, where he admitted: "Brexit has cost us our best friends."



NO QUIFFS OR BUTS: Morrissey (*left*) and Cameron Diaz in hit movie *There's Something About Mary*

Hosts Phillip Schofield and Holly Willoughby struggled to contain themselves after asking Cameron to cast his mind back to the unveiling of Boris Johnson's red bus.

The vehicle, paraded across the country by the Vote Leave campaign, led to the now disputed claims Britain sends £350million a week to the European Union.

Asked for his reaction upon seeing it for the first time, Mr Cameron said: "I shat at the TV," quickly adding, "Sorry, I shouted at the television. It was incredibly frustrating."

"You've never said that on *Newsnight*," replied Phill.

In an interview on the day his memoir *For The Record* hits the shelves, Mr Cameron apologised for Brexit and accepted a portion of the blame "for holding the referendum and losing the referendum".

He said: "My plan was to try to keep Britain inside a reformed EU and I failed in that."

Cardi: I'm a different Blood type

CARDI B has spoken out against claims she is affiliated with the Nine Trey Gangsta Bloods, and clarified that she is a member of a different set, the Brin Bloods.

Rapper Tekashi 6ix9ine – which is, apparently, a name – had claimed in court that Cardi was a fellow gang member while he testified against various charges after he allegedly took part in shootings and robberies at gunpoint.

The 23-year-old said that Cardi (*above*), 26, was involved with the Nine Trey set of the Bloods gang.

A rep for Cardi said: "This is not true."

In a now-deleted tweet, Cardi wrote: "Brin not 9 Trey. I never been 9 Trey or associated with them."

Cardi admitted to being a Blood in 2018 during an interview.

She said: "I used to pop off with my homies.

"And they'd say, 'Yo, you really get it poppin. You should come home. You should turn Blood'.

"And I did. Yes, I did. You don't leave."

LOOK AT DEM!

Fury as social media focuses on party leader's big knockers

SEXISTS greeted Lib Dem leader Jo Swinson's barnstorming speech to the party faithful with a TORRENT of chauvinistic SMUT about the size of her busters.

It was the East Dumbertonshire MP's first speech to the Liberals as leader – and Swinson dangled the promise of Government in front of the dead-eyed mob of anti-nuclear vegetarians, nudists, sex perverts and other lunatics that make up the Lib Dems faithful.

Ms Swinson closed conference with a message that the next election would be a fight for the "heart and soul of Britain" as she pledged to stop Brexit and counter the "rising tide of populism and nationalism".

Announcing to rapturous applause that she was appearing before delegates "as your candidate for Prime Minister" Swinson used her first conference speech as leader to renew attacks on Boris Johnson and Jeremy Corbyn, and the UK now needed the Lib Dems to give voters a better choice.

But all that the women-hating sexists saw was Jo's breasts.

John Johnson commented: "Not my proudest wank," while another commented, "The only reason Jo Swinson is appearing all over the Press is because she's got big tits."

Unwed face flogging if they have a bonk in Bali

VISITORS to popular tourist destinations in Indonesia such as Bali could be thrown in jail or even FLOGGED if they have sex outside marriage.

The controversial revision to Indonesia's penal code outlaws consensual sex and cohabitation outside marriage and is expected to be passed as early as next week, but Joko Widodo, Indonesia's president, has held it up.

If penned, it will even apply to unmarried tourists having sex when they visit!

Andreas Harsono, a researcher for Human Rights Watch in the country, said: "This is a huge setback for Indonesia.

"It discriminates against millions."

And researcher Aaron Connelly added: "Foreigners are very likely to get caught up in this."

Bali has become a hotspot for tourism thanks to a perception the Hindu-majority isle is less conservative than other parts of the country, which hosts the world's largest Muslim population.

But hardline Muslims have increasing sway among lawmakers and their opinions are spreading worldwide.

She replied: "She goes naked all round the house."

"I just get annoyed," she replied.

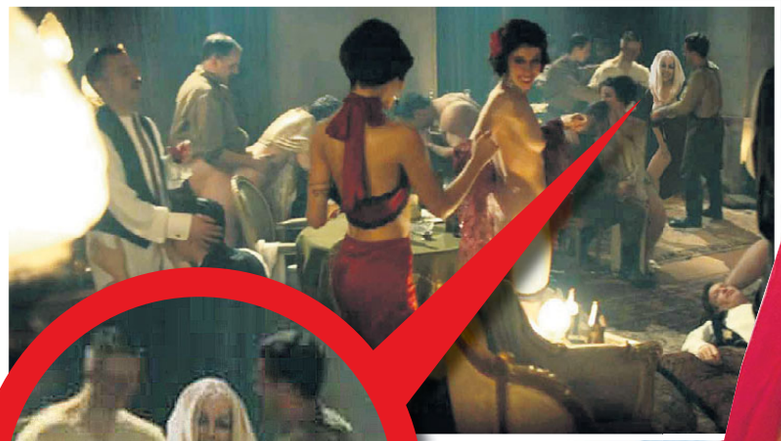
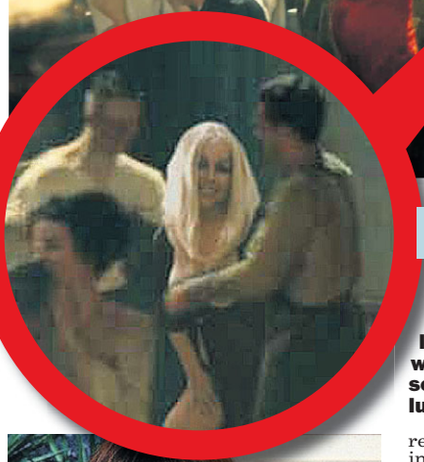
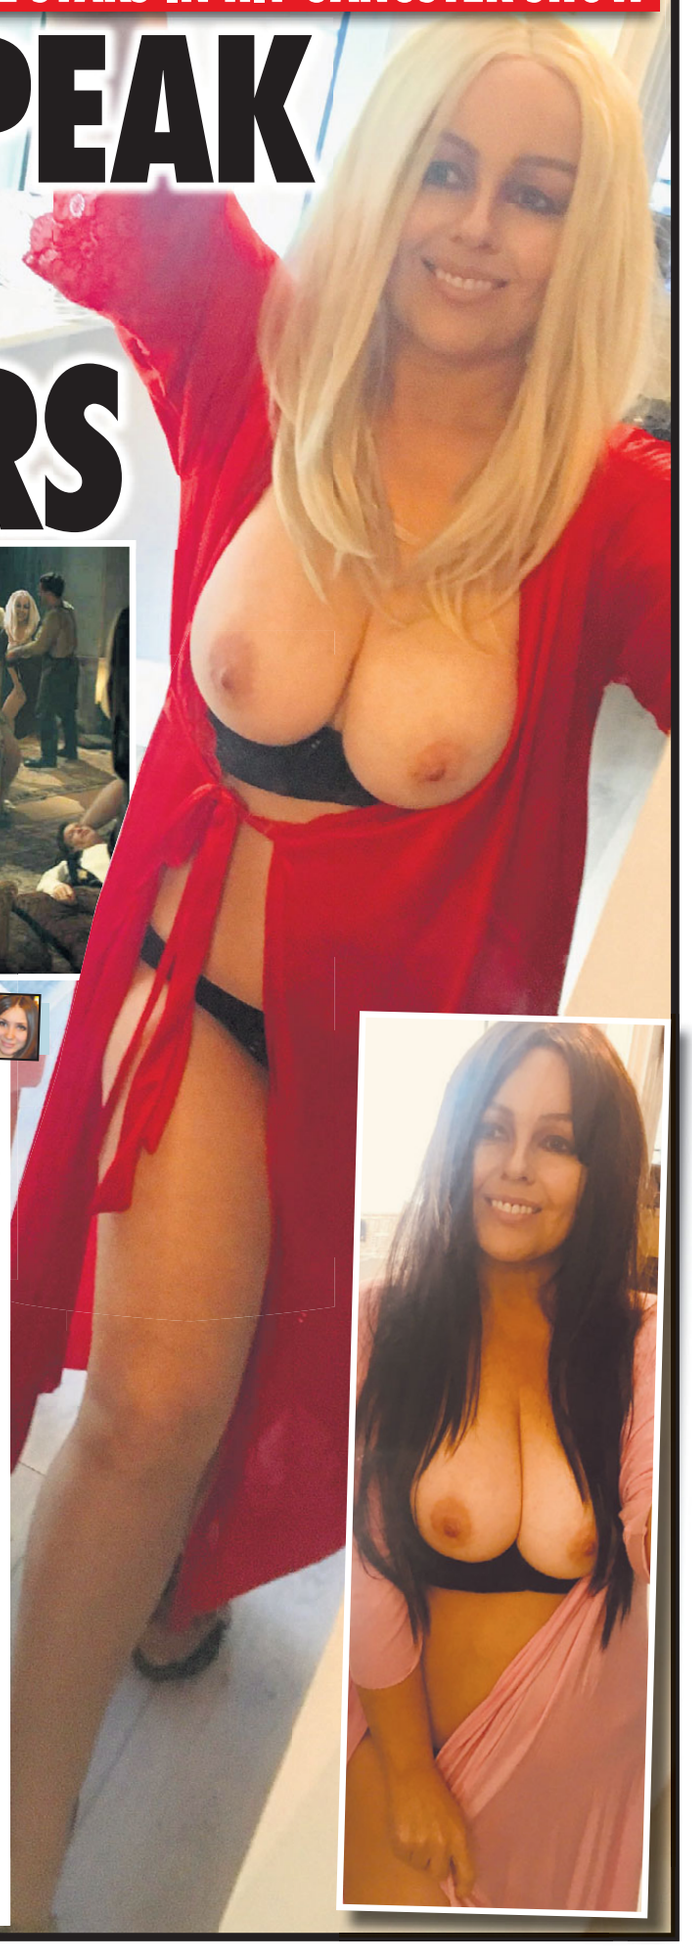
GANGSTER BANG: Keera shows off the boobs she got out in orgy scene for the hit telly series





PEARLER: Keera was a regular in grumble mags of the Nineties



By PENNY MARSHALL
news@sundaysport.co.uk

AN actress in top BBC drama series *Peaky Blinders* is a legs-open PORN STAR whose FANNY has been seen by millions of lusty blokes.

Keera Ashton was a regular in top-shelf mags in the Nineties and posed for literally HUNDREDS of FULLY-NUDE photos in which she...

- TWEAKED her erect nipples
- PARTED her glistening labia
- SIMULATED furious masturbation

But BBC bosses had no idea of her raunchy past when they booked the now 46-year-old to play an orgy hooker in series three of the gangster series, currently riding high with its fifth series.

Message

A pal of Keera's said: "She got an online message from one of her fans from the girlie mag days who said 'did I just spot you on *Peaky Blinders*?'

"She was absolutely chuffed and sent a message back saying, 'I'm surprised you could recognise me with my clothes on'.

"Keera loved her nude modelling work, just like she enjoys her TV and film extra work."

Last week *Peaky Blinders* creator Steven Knight said he has loads more ideas.

He revealed: "I'm writing series six at the moment. Then I'm going to do series seven, then I'm looking at spin-offs, maybe a movie."

Shia's 'cutey' naked wrestle with pal Tom

SHIA LaBoeuf revealed he wrestled NAKED with his *Lawless* co-star Tom Hardy – but it wasn't a gay thing.

The Peanut Butter Falcon star (*above*), 33, shot down rumours he got into a fight with Hardy, 42, on the set of their 2012 film.

LaBeouf said of the rumours: "It's a bunch of bullshit.

"We used to wrestle all the time. He was a big f**king person, especially then, he was getting ready for Bane [in 2012's *The Dark Knight Rises*]."

The actor continued, "We used to f**k with each other all the time. It just so happened one week my girlfriend is in town and he runs into the room.

"He picked me up and I had nothing on so now I'm naked, on his shoulder, we're in the hallway, wrestling. We wound up inching over to the stairs and he fell down them. We were having some weird cutey wrestling match."

Sex for Brits is such a giggle!

THREE-IN-10 Brits admit they have burst into fits of giggles during SEX.

A poll of 2,000 Brits by travel firm Netflights found that just over 30 per cent confessed to laughing while romping.

The study discovered that 90 per cent of those polled had chortled at an 'inappropriate time', with 17 per cent even laughing during a funeral.

The most inappropriate times to giggle included...

1. When someone hurts themselves (32 per cent)
2. Trying to pronounce a tricky name (31)
3. During sex (30)
4. At a 'weepy movie (30)
5. During a kid's tantrum (25)
6. While boss is giving a ticking off (19)
7. At a funeral (17)

Courtney: Prince Andrew did NOT try to shag me

LOVE-LY PAIR: Courtney shows off her knockers

By SARAH DILLON
news@sundaysport.co.uk

ROCK chick Courtney Love has now denied claims that Prince Andrew turned up unannounced at her LA home GAGGING for SEX.

The Hole frontwoman had reportedly claimed that Andrew was "looking for a good time" and arrived at her home with a minder at 1am.

Love – who was married to the late musical miseryguts Kurt Cobain – was said to have described the event as "surreal" and said she ended up giving Andrew a cup of tea in a mug printed with the Queen's face.

Surreal

She reportedly told friends: "I was in bed when the doorbell rang at 1am, so put on my fluffy slippers and a dressing gown, and the Queen's second son was standing there with a protection officer, totally unannounced.

"He said he had got my address from a mutual friend and was looking to have a fun night in Hollywood, and apparently I could show him a good time. He seemed to be looking for sex and was quite flirtatious.

"Of all the things that have happened in my life, this truly is one of the most surreal things."

LOVE IS ALL AROUND: Rock chick meets the prince

However, the singer has now entirely distanced herself from the claims and also denied reports she was introduced to the Prince after being included in rich nonce Jeffrey Epstein's black book – which featured the names of the shamed financier's known associates.

Love, 55, said on Instagram: "The story about Jeffrey Epstein introducing me to Prince Andrew is complete fabrication.

"I never knew Epstein. Prince Andrew once came over for some tea with some friends. That's it, the rest is made up fabrications and gossip."

A Palace source also dismissed the story, so we thought we'd print her tits...

Man tricked lesbian into sending nude pics

A MAN who tricked women into sending him nude photos by pretending to be a lesbian online has been jailed for 12 months.

A court heard Jack Smith (*left*), 25, created an account on the dating website Plenty of Fish under a pseudonym.

Using a "Charlotte Unwin" profile, Smith deceived a woman in her 20s into thinking that he, too, was a woman. They began exchanging messages and Smith persuaded the woman to send him a series of intimate photos.

The online relationship broke down, however, and Smith became abusive to the woman. He threatened to send the nude images to her family and continued to send the woman abusive messages on and off through 2018.

But Smith was already at the time of the offence a registered sex offender.

Under the terms of his management as a registered sex offender he was obliged to have his computer and phone checked regularly and officers found evidence of the 'catfishing' and abuse early this year.

At Peterborough Crown Court Smith admitted sending threatening messages, breaching a sexual harm prevention order and failing to comply with the terms of the sex offenders' register.

THE VOICE OF YOUR BRITAIN

Gender wars fine, but there are casualties

WE salute the brave parents who are tearing down the artificial walls of gender stereotyping by refusing to reveal if their newborns are male or female.

Their valiant stand against the straitjacket of conformity can only lead to a better future where young people are not shoehorned into outdated gender roles.

If a child wants to play with a dolly, they will feel much easier if they've not been assigned a "male" role and saddled with a "male" name such as Bert or Frank.

Likewise, a child who wants to become an engineer or a wage-earner will find their life easier if not brought up as a "girl".

But there have to be limits...

Poor Sam Lancashire was never told what gender they are by their parents. Given a gender-neutral name, they grew up without any concept of the artificial constructs of "male" and "female".

But now, aged 62, they are bewildered and confused.

It is a noble aim to shed the whole ugly system of gender.

But poor Sam is an innocent victim of that battle.

Change for better

MANY have called the young people who protested against climate change on Friday naïve little arseholes who know nothing of the real world.

The youngsters who skipped school – and the young-at-heart who played hooky from their public sector jobs – to blather impotently about global warming have been vilified as privileged nincompoops and entitled irritants.

But we will not join in the widespread criticism of these pint-sized know-alls, strutting about like the youthful Chinese Red Guards of the blood-soaked Cultural Revolution, spouting their juvenile slogans with all the zeal of the irresponsible.

No.

Because while the protesters were stamping their little feet, the sun shone across Britain.

So there's obviously something in this climate change protesting.

Well done, kids!

Naturist tears bridge nudist nut off a strip

AN elderly naturist has spoken out after a naked man was seen doing squats on a bridge over a busy stretch of road.

Stuart Haywood spoke out after drivers were left baffled by the nudist on Wednesday.

The man was spotted exercising by motorists over a busy bridge.

Stuart, 82, of Midway, in Swadlincote, Derbys, said that even as a naturist, he would never start exercising on a town centre footbridge – unless it was for a charitable event and with permission from the police.

Mr Haywood, who has been stripping off for pleasure for almost 10 years, said: "Being naked in public is not an offence but causing alarm or distress is.

"As a confirmed naturist I would never do that unless it was for a charitable event."

Police confirmed they have received reports of the naked man on a bridge in Burton-on-Trent.

SAM'S GENDER REVEAL NIGHTMARE

PENIS PUZZLER: Sam's parents kept 'them' in the dark over 'their' sex

UNHAPPY Sam Lancashire is warning trendy parents not to keep their baby's gender secret – because when *their* mum and dad did it they ruined *their* life!

SUNDAY SPORT EXCLUSIVE
By REBECCA HANLEY

Right-on PC parents have been in the news lately because they claim not telling children if they are a boy or girl allows them to express their inner identity.

But angry Sam, 62, who has to use the pronoun 'they', says this approach is a load of bollocks.

Limbo

Sam, from Dundee, says *their* parents deliberately hid *their* gender from him and died without telling them if they are a boy or girl. Now they feel *they* have been left in limbo and worry *they* will never discover what sex *they* are.

The unemployed painter and decorator, said: "One of my earliest memories is asking my mum if I was a boy or a girl. That would have been when I was about two years old.

"My mum told me gender was a construct of the patriarchy and I was lucky not to be a prisoner of oppression.

"That's all she ever said when I asked. Even on her deathbed three years ago, I begged her to tell me.

"But with her last breath she said, 'Free yourself from binary thought processes'.

"Dad died when I was four so there's no-one alive who can tell me.

"Sometimes, I sit in the bath and look at my penis and I think to myself, 'Is this a boy penis or a girl penis?'

Moaning

"I like trainspotting and football so I think I might be a boy.

"But I also like having bubble baths a lot and moaning, so I might be a girl.

"My whole life has been a struggle because of this decision by my parents. So my advice to modern parents is, please think hard before you inflict this agony on *your* children."

Tesco store dumps salads for biccies

TESCO has been blasted by a customer and health coach for closing a salad bar in one of its stores – and filling the space with BISCUITS.

The supermarket has confirmed that it closed the fresh salads bar at its Metro store on George Street in Richmond, Surrey, several months ago permanently.

Sarah Helen King spotted the bar filled with biscuits on a recent visit.

Ms King, the founder of a health coaching firm, said: "The UK has the highest rate of obesity in Europe.

"The fact Tesco got rid of the salad bar in favour of promoting large boxes of multi-pack biscuits will be influencing customers.

"This sends absolutely the wrong message."

Tesco did not comment further on its reasons for closing the bar.

Perv battles snow for sex with girl, 15

A MAN who trudged three miles through a snowstorm with a hot chocolate to give to a 15-year-old girl he was trying to seduce has been jailed for 10 years.

Thomas Cartwright, 54 (*above*) was arrested in February as part of a police sting operation where cops pretending to be teenage girls planted ads in online sex magazines.

Cops said Cartwright walked three miles from his home in Post Falls, Idaho, through a blizzard with condoms and a hot chocolate drink to meet the teenager for sex.

Admitting his offence, Cartwright said: "That night I met two women. One was a woman in her 30s. We talked about the snow. The other was supposedly 15."

He engaged in a sexual conversation and invited the teen to his home.

Cartwright's lawyer, Jay Logsdon, accused police of persuading his client into sex with the 15-year-old.

OMG! I'M FLASHE

By PAULA HAMPTON
news@sundaysport.co.uk

NO WONDER Welsh stunna Jess Davies became a glamour model - she's always flashing her boobs!

The 24-year-old from Aberystwyth, has even flashed her 28G knockers on a train.

Jessica was taking a saucy selfie while travelling on public transport when she decided to step it up a level.

She said: "I recently flashed a bloke accidentally.

"I was bored on the the train so I took some sexy selfies.

"Then I decided to take a quick photo of my boobs and sent it to a friend on Snapchat!

"But I got caught. "The guy sitting a few seats away saw EVERYTHING.

"It was really embarrassing."

NABBED FOR DRUGS: Stuart Cook

COURT EXCLUSIVE
By GARY CARTER

Dopehead charged for 'intentionally flatulating' at cop

A MAN has been told to carry out unpaid work after he broke wind at police during a strip search – telling them: "How do you like that?"

Stuart Cook, 28, deliberately broke wind three times during the search after being caught with cannabis.

Depute fiscal Alan Townsend said police attended at the Lang Stracht in Aberdeen following a report of a collision and saw Cook standing next to a vehicle talking to the driver of another car.

He said: "Officers approached him and smelled cannabis."

Cook became "irate" when he was handcuffed and began shouting.

A search was carried out on Cook and the vehicle and a small amount of cannabis was discovered.

Cook continued to act up as he was driven to Kittybrewster police station.

Puffed

He "screamed expletives" and "puffed out his chest towards officers".

At the station he was strip searched and told to bend over.

At a previous hearing, depute fiscal Lucy Simpson described what happened next.

She said he "deliberately farted in the direction of the officer three times, stating, 'how do you like that?'"

Cook, of Stonehaven, Aberdeenshire, previously pleaded guilty to possession of cannabis and to behaving in a threatening or abusive manner by shouting and screaming aggressively, displaying aggressive body language, making a lewd remark towards police and "intentionally flatulating" in the direction of police.

Sheriff Ian Wallace ordered Cook to carry out 75 hours of unpaid work.

Snappa hid secret camera in bathroom

A PHOTOGRAPHER hid a secret camera in his bathroom to film a model who was staying with him.

Barry Mappley, 55, disguised the device as a pen and put it in his bathroom cabinet.

The young woman who he was putting up at the time, discovered the covert recording equipment and handed the memory card over to police.

They searched his computer and found videos of her undressing and getting in the bath.

Mappley claimed he'd installed the camera because he suspected she was taking cocaine.

But prosecutors at his trial in front of magistrates said it was nonsense that someone would try to take drugs on the sloping and probably wet side of a bathtub.

"The only reason you put that camera there was because you knew you would be able to see her naked in the bath," prosecutor Paul Abraham told him.

SPYCAM: Perv hid pen camera to film model

Mappley claimed he had seen the woman naked during photo shoots, and there was no sexual motive to it.

But Mr Abraham said it was a case of "the forbidden fruit tasting nicer".

Representing himself, Mappley said he was friends with several models, and if they were touring in the North West they would stay at his home in Connah's Quay, Flints.

He had been letting this woman stay after her relationship with a man broke down.

But the prosecution claimed he had become attracted to her "to the point of jealousy".

The prosecution said while he had always obtained consent for the professional work he did, this was "his guilty secret".

Mappley was found guilty of two counts of voyeurism, as magistrates sent him to Crown Court to find out his punishment.

SCARBABEOS!

The sexy side of Scarborough new hit sitcom doesn't show

STARS: Jason and Catherine (above) and Scarborough

THE North Yorkshire resort of Scarborough is riding high as star of a new BBC comedy.

The hilarious series – called *Scarborough* – stars Jason Manford and Catherine Tyldesley.

And the show is penned by Derren Litten, the man behind hit ITV comedy show *Benidorm*.

One of its gags has already ruffled feathers, though.

Some viewers slammed a scene in which actor Steve Edge's character Bigsy joked that Jimmy Savile "had the right idea about women" because "he used to call them brain-damaged."

By SIMON DEAN
simon@sundaysport.co.uk

Jason Manford, playing Bigsy's best mate Mike, responds: "Wow, of all the people you could quote on relationship advice, you're giving me Jimmy Savile! Even for you, that's off the grid!"

Savile, who died in 2011, was buried in Scarborough and then posthumously exposed as Britain's most prolific sex criminal.

But gentle comedy and Jimmy Savile are not the only things that make saucy Scarborough a magnet for holidaymakers which visitors dub Scarbados.

Because the seaside town is a party mecca that serves up lashings of SEX.

We spent a Saturday night there to find out what all the fuss was about, and chatted to two local lasses about its other sexy side...

'I sneaked two blokes back to my room – they took me every way...'

CLAIRE Patterson lives in Pickering, just a short hop down the A170 from Scarborough.

The 21-year-old said: "There's not much that goes on in Pickering at a weekend so we normally all pile across to Scarborough.

"It gets properly busy with tourists in the summer and it's got a real vibe – it's more like Magaluf than North Yorkshire, only not as warm.

"Over the last summer, I was working in Scarborough as a waitress in a hotel.

"The money was good and I got to live in.

"It was my first time living away from home – and it was brilliant!

"When you see the waitresses at your hotel at breakfast time and they look a bit tired, it's not because they've been up early helping get everything ready for the guests – it's because they've been clubbing and SHAGGING all night.

"Well, I certainly was!

"This one night, I sneaked two blokes from Newcastle back to my room at the hotel.

Holes

"We weren't supposed to bring people back to our rooms but the bosses turned a blind eye as long as there was no trouble.

"They shagged me all night – and in every way possible, too.

"I was still exhausted from it when I was serving up the toast at breakfast the next morning!"

LIKE WHAT YOU SEA? Three stunnas on a wild night out

'I don't think I'd be able to take anything that big again'

KATE Watson lives in Scarborough.

The 23-year-old has lived in the town all her life and reckons it's the best seaside resort in Britain.

She told *Sunday Sport*: "Folk from down South reckon that places like Scarborough are a bit dated and past it but I've got news for them – it's better than Brighton or Clacton!

"Up here we have a great time and you don't need a bank loan to have a night on the piss.

"There's a bar that does shots for £1.50 at happy hour and we start off in there.

"It gets the night started off with a bang.

"Summer, obviously, is livelier because you get all the tourists and day-trippers coming in.

"And it's not just Brits, either. There was an article about Scarborough in a German newspaper last year and we got a load of German folk coming over to have a look.

"I met up with this one German fella called Hans. I was dancing with him in a club and feeling his huge length through his jeans.

"I knew there and then that I wanted it in me because it was long and thick and clearly aching to get free.

"I took him under the West Pier and sucked him off. I could hardly get the end in my mouth – it was huge!

"When he slipped it into me, I came straight away.

"It was like having a fire extinguisher in me!

"It was the best shag I've ever had and I was aching the next day.

"I don't think I'll ever have one that big again – I wouldn't be able to take one much bigger than his."

Jesus on trial for w**king off 'cursed' worshippers

AN alleged sex victim of a priest called Jesus testified that the pervy church leader wanked him off – claiming it would rid a curse.

Jesus Antonio Castaneda Serna, 51, of the Nuestra Senora de Guadalupe church in Fresno, California, is charged with multiple counts of sexual battery involving adult male members of his church dating back to 2014.

One witness told prosecutor Kelly Smith that Serna had a way of getting rid of so-called curses by handing out a healing massage with special oil to some of his congregants.

What that meant for the alleged victim was stripping down naked and laying on a sofa where Serna would massage his body – including his genitals.

"Knowing he was a priest, I did it out of faith," the alleged victim said.

Serna told the witness some women put curses on men and this hex was put on him by his ex-girlfriend's sister and that he needed to masturbate him until he ejaculated in order to cure him, adding: "He said he had to see the sperm in his hand to see what type of illness I had."

The trial continues.

Train tosser is wanted by cops

POLICE are hunting a young man who furiously masturbated in front of a woman on a train.

The suspect boarded the train at High Street, Glasgow, and sat opposite the female.

He then put his hand down his trousers and began touching himself inappropriately before leaving the train at Shettleston.

The incident took place on Tuesday's 4.24pm service from Glasgow Queen Street to Shettleston.

Police describe the suspect as "dark-skinned, aged between 17 and 20, around 5ft 7ins and of a slim build".

The description adds that he has "dark messy hair and brown eyes."

He was wearing dark navy cotton loose-fitting jogging bottoms with a hole in the thigh.

MINDHUNTER SERIES 1&2 IS ON NETFLIX NOW

By PENNY MARSHALL
news@sundaysport.co.uk

IF you like your murder and gore, *Mindhunter* is the show for you.

Back on Netflix for its second series, *Mindhunter* follows FBI agents Holden Ford (Jonathan Groff) and Bill Tench (Holt McCallany), as well as psychologist Wendy Carr (Anna Torv).

The trio work in the Behavioral Science Unit within the Training Division at the FBI Academy in Quantico, Virginia.

They interview imprisoned serial killers to understand how they think, with the hope of applying this knowledge to solve ongoing cases.

Just like *Silence of the Lambs*.

Season One is set in 1977 to 1980, in the very early days of criminal psychology and criminal profiling at the FBI.

Season Two is set in 1980 and 1981 and features the Atlanta murders of 1979–81.

Just in case you need cheering up from all that killing, here's the leading ladies' teats…

NAKED W**KER JUMPED OUT AT WOMEN

By BRAD CHADWICK
news@sundaysport.co.uk

A THRILL-seeking security guard terrorised women for four years by masturbating naked or semi-naked in front of them on footpaths, at bus stops and in bushes.

Now he has been handed a six-month suspended prison sentence.

Benjamin Frederick Moran, 44, admitted to 33 indecent acts in Brisbane, Australia, between January 2015 and January 2019.

Half or fully naked, he posed on footpaths, hid behind bushes or sat in his van and masturbated as women passed by or stood at bus stops on streets.

Most of the acts were committed on a nondescript suburban street opposite an electrical store.

Moran *(left)* also admitted carrying out lewd acts at another location.

"On each occasion, you hid behind a tree or some sort of construction," said magistrate Belinda Merrin.

"You waited and then as an adult woman approached by herself, you then removed yourself from the coverage and began masturbating."

Brisbane Magistrates Court heard Moran went to great lengths to avoid detection.

He often carried a change of clothes, removed signage for his business from his car and donned a hat and glasses when he committed the acts.

The court heard Moran felt compelled to seek the "rush" of pleasuring himself in front of women in public places.

There was no verbal or physical contact, but many of his victims were frightened.

A psychological report found that Moran suffered from compulsive exhibitionist disorder.

He became aroused by the prospect of the women seeing him masturbate, not the prospect of contact with them, the report said.

Moran was finally caught after a woman called cops after seeing him.

That led to 23 charges after police were able to cross-check previous reports of his behaviour and they later added a further 10 charges.

Doc avoids prison over dog romps

A UNIVERSITY doctor collapsed in the dock after avoiding a jail term for molesting his own pet DOG.

Joseph Hattey, 52 (*above*), pleaded guilty to one count of "failing to provide an animal with adequate care" in a court last week.

A more serious charge of intentional bestiality was dropped.

He was sentenced to 24 months of probation and must pay at least £450 in fines and fees.

Minutes after the sentencing, Hattey was carried out of the courtroom on a stretcher because of an apparent medical emergency.

Patrick O'Keefe, Hattey's attorney, said his client appeared to faint and may have been dehydrated when he collapsed.

"This has been a really stressful experience for him," O'Keefe said.

Hattey could still face 93 days in jail if he violates his probation.

When Hattey was charged in June last year, he was employed at Michigan State University, US, as a doctor.

OAP home staff sex party probed

A WOMAN claims two staff members of an old people's home had sex in her 81-year-old dad's room while he was present.

Lisa Bernier learned of the incident, which is said to have happened in June, from another employee of The Shoreline of Clinton nursing facility after her father died.

Her dad did not mentioned it before died, she said, adding: "He wasn't able to leave that room – he had no way of calling for help.

"I'm just very hurt that I trusted these people to take care of my father."

Facility officials said after learning about the alleged incident they followed reporting guidelines.

The police and the state Department of Public Health in Connecticut are now investigating.

MIDGET PORN STAR STABBED BOYFRIEND

ARREST PHOTO: Bridget Powers

LEGEND: Star is best known to *Sunday Sport* readers as Itsy Bitsy

Sunday Sport orgy babe Itsy Bitsy nicked on deadly weapon charge

By SIMON DEAN
simon@sundaysport.co.uk

PORN legend Bridget Powers was arrested after a blowout fight with her boyfriend that turned violent.

Bridget, who bills herself as "Bridget the Midget" – but is better known to *Sunday Sport* readers as "Itsy Bitsy" – has starred in more than 100 porn films.

She was booked into a Las Vegas jail after police responded to a call from a neighbour who heard "screaming and broken glass"

Upon arriving at the scene, officers found that Bridget's boyfriend had suffered a stab wound to the leg.

The 3ft 6in stunna, 38, had reportedly threatened to expose her significant other's mistress on Facebook.

Tirade

During the profanity-laced tirade, recorded during her arrest, she is also heard saying that her boyfriend – named as Jesse James – has physically abused her in the past.

Powers, who has dwarfism, appeared in her first adult film in 1999.

In 2000, she famously took part in an orgy with 10 lucky *Sunday Sport* readers.

A police source said: "When we got a call about a dwarf stabbing her man, I can tell you, we weren't Happy! Ha! You gettit? Happy?"

Back in 2002, Powers appeared in the HBO documentary series *Cathouse*, centred on the Las Vegas brothel Moonlite BunnyRanch.

In a 2007 interview with the brothel's then-owner, Dennis Hof, he said of Powers: "She had a baby and is coming back to work in the next week or so."

Brownloading gives you bum grapes

USING your phone on the lavvy may give you PILES!

A recent study revealed that 57 per cent of Brits admitted using their mobile while sat on the loo, with 8% claiming they "always" do it.

And they are ALL at risk of excruciating arse grapes!

Dr Sarah Jarvis, GP and Clinical Director of *patient.info*, explained it's the length of time your phone leads you to spend on the bog that raises the risk of developing haemorrhoids.

The more you use your phone on the toilet, the longer you will be sat there – meaning that pressure increases on the veins of the anus in the lower rectum.

Dr Jarvis said: "Constipation and straining to poo is a major risk factor for piles – being pregnant, chronic coughing and getting older are also factors.

"So does prolonged sitting on the loo. So tempting while it may be to scroll through your apps while you're waiting to perform, we don't recommend it."

BREAST WAY TO PROTEST: Keira and Julie make a topless stand

NOW THAT'S A CLIMATE CHANGE PROTEST!

Topless sisters take over Hull roundabout

AS tens of thousands of protestors took to the streets of London to protest climate change last Friday two sisters in Hull held their own much sexier demonstration.

By GRACE HOOPER
news@sundaysport.co.uk

Because Keira and Julie Parkinson reckon that the only way to get people's attention is to bare their BOOBS!

And while the pair haven't yet put an end to climate change they are definitely raising awareness in their home town.

The students, 19, and 18, stood on a busy roundabout from Friday morning until teatime yesterday.

And they reckon at least 10,000 motorists may have seen their breasts – and of course their very important message.

Keira said: "Climate change is too important to mess about with. We have to take action now.

"It's all very well dicking about outside Parliament in London, but London is full of people who are already acting on climate change.

"We need to speak to people who don't read *The Guardian* and the best way to do that is by showing our boobs."

A Humberside police source said: "We didn't get a single complaint."

FRESHERS' WEEK TOSSER PULLED PUD IN CAR

By ROY DURRIDGE
news@sundaysport.co.uk

A MAN who masturbated in his car in a city centre did so on the same street as a "very popular" student night was underway at a nightclub full of undergraduates arriving for Freshers' Week.

Steven Gabriel-Lee, 44, pleaded guilty to the charge of outraging public decency when he appeared at Chester Magistrates Court on Friday.

Prosecuting, Adam Warner told the court this was not the first time Gabriel-Lee had been in court for the offence, as he had previously been sentenced to a lengthy community order in 2012 for two charges of upskirting.

This latest offence was spotted on CCTV cameras in St John Street, Chester, at 11.14pm on Monday, September 2, on a night which the court heard was very busy with 18 to 23-year-olds going to Cruise nightclub.

Condom

The CCTV monitoring officer could see Gabriel-Lee was parked in his Mercedes near the nightclub and was "clearly in the act" of pulling his pud while wearing a condom.

A large number of adults would have been able to see him in the act, the court heard. Police arrived at 11.20pm and saw Gabriel-Lee in the driving seat.

When they caught his attention, he "moved his hands very quickly and looked shocked".

Gabriel-Lee, from Croughton, Cheshire, told police: "I have just been to the gym, I am waiting for a friend and I'm going to give him some money."

Defending, Howard Jones said there had been a build-up of negative matters for his client which led to this situation.

Gabriel-Lee had split up with his girlfriend in January, his father had passed away and he had also been the victim of a fraud where he had lost money.

Mr Jones added: "This led to tensions and stresses which in turn manifested itself in this way.

"He was not parked directly outside the nightclub, but outside a solicitors office."

Since the arrest, Gabriel-Lee had been upfront at work and had positive references.

A detailed pre-sentence report was requested and Gabriel-Lee will learn his fate next month.

He was bailed until October 14 on condition he does not enter Chester city centre between 7pm-7am.

Plenty of Fish clamp down on mingers

THE days of heavily editing your selfies to secure a date are over, one dating website has decided.

Plenty of Fish, an app with 150 million registered users, is to vet and remove images that are too heavily filtered, after a survey found 84% of singles want a more honest dating experience.

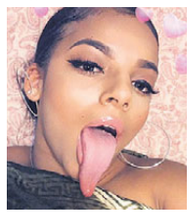
The global dating agency will sift through 70 million images uploaded to its site and delete any that violate strict new rules.

Rival dating app Bumble announced in April that it would use artificial intelligence technology to securely detect most nude images being sent to others and hide them from view.

The popularity of editing pictures has boomed in recent years, with the creation of Instagram and Snapchat, which allow users to change things like skin tone, lighting, and even add bunny ears.

More sophisticated apps like FaceTune allow people to change face shape to create a sharper jaw line, alter teeth and hair colour and slim down their body shape.

The technology led to some men having to bonk some right mingers.



Girl's tongue brings in £40k

A WOMAN is making a fortune on Instagram – because of her unusually long TONGUE.

Mikayla Saravia, 21 (*above*) who describes herself as an Insta model and influencer, has a tongue which measures over six inches.

She gets paid between £700 to £2,400 for posting racy images and vids of her licking food items.

Mikayla, from Florida, can be seen sticking out her tongue in some clips while wearing skimpy swimwear or lingerie.

Her army of two million online followers often compare her to a "snake" or "lizard" because of how long her tongue is.

She said: "My favourite video is my Thanksgiving shoot – it was funny when I pretended to be a turkey on the dinner table.

"Last year I made a little under £40k."

OUT OF THE PAN

A MAN who spilled boiling water in his lap on a camping trip on Hook Island, Queensland, jumped into the ocean to cool off – but was eaten by a shark.

STUDENT BLEW OFF UNI SWOT TO WRITE HER ESSAYS

SUCK-CESS: Monica Deal gave BJ in return for essays

EXCLUSIVE

By SARAH DILLON

news@sundaysport.co.uk

A COCK-HAPPY student faces prosecution for fraud after she admitted sucking a swot's COCK until he ejaculated hot SPERM into her pretty MOUTH – in return for him writing her essays.

Shameless Monica Deal, 22, was awarded a 2:1 degree in art history earlier this summer from a university we are unable to name for legal reasons.

Drained

She later walked into a job at a top London auction house, which we are also unable to name.

But Deal could not keep quiet about her shady arrangement and boasted about it on her blog she shared with a handful of friends.

In it she wrote: "So, I got this dweeb to write all my essays for me.

"I got a 2:1 and he got his balls drained.

"Not too much of a chore because he had a beautiful dick – even though he was a geek."

One so-called 'friend' shared the post and it went viral – and divided opinion.

But what Deal did not expect was her actions to be reported to the police by uni authorities with the possibility of her being prosecuted for fraud.

Now she has been suspended from her job pending the outcome of an investigation.

She was not available for comment at her west London home last night.

Dumped man sent ex's nude photos to pals

A JILTED man has been charged with extortion, stalking and voyeurism after sending his former girlfriend's nude photos to her friends and family as payback for her dumping him.

Anthony Sandy, 23 (*above*), was taken into custody on a dozen criminal charges – including one count of third-degree extortion, stalking, voyeurism, and nine counts of distribution of sensitive images.

Sandy and the victim met online and dated for three months last year before she ended their relationship in January.

Following the split, the victim said Sandy, of Albuquerque, New Mexico, threatened to spread naked photos of her to her loved ones if she did not respond to his phone and Facebook messages.

He got the nude pics by taking screenshots of a video chat between them, during which he asked her to undress.

Naked canal-dip footie fans fined

POLICE in Venice have started nicking people for swimming in the Italian city's famous canals.

Two Czech tourists were fined £2,000 each for "obscene acts" after skinny-dipping near Piazza San Marco.

The men – both football fans in Italy for Slavia Prague's match against Inter Milan – were caught by cops on a routine patrol of the most visited part of Venice.

They were alerted to their behaviour by the shouts of passers-by.

Officers found themselves "on a movie set," said a statement released by the carabinieri.

They told police they'd decided to go for a swim, adding it was "a particularly warm evening."

Police made them get dressed, before taking them to the station where they were fined for public decency.

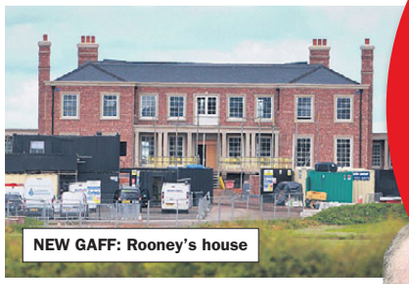
HITLER SPOTTED ON TRAIN NEAR ROONEY'S HOUSE



NEW GAFF: Rooney's house

GET ON THE REICH TRACK: Passenger took this photo of evil Hitler on train

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

JUST when Wayne Rooney thought the row over him going on the piss in Canada had blown over – ADOLF HITLER turns up near his new mansion.

The Austrian-born German statesman – widely thought to have committed suicide in Berlin back in 1945 as Soviet troops advanced on his bunker – was spotted, large as life, on the Manchester-Chester train near Knutsford, Cheshire.

The line is less than a mile from the greenfield site where the Rooneys have built a garish modern mansion.

EARBASHING: Wayne Rooney

Amazing

A traveller on the train – who took this amazing photo – told *Sunday Sport*: "I was looking out for this big place that Rooney has apparently built outside Mobberley (a village close to Knutsford).

"I couldn't see anything, but when I looked across the carriage there was something even more startling… Adolf Bloody Hitler!

"I was about to go and give him a piece of my mind but he got off at Northwich. I think he must have been going to B&Q as I saw he was holding a trade card.

"Then I thought, 'Oh, oh' – Coleen won't be happy about genocidal dictators riding the train near her posh mansion. No doubt she'll blame poor old Wayne."

The spud-faced footballer, who has recently signed to become player-manager for Derby County after a spell at Washingon-based DC United, hit the headlines last month when he was photographed on the lash with dolly birds in Vancouver – to the fury of long-suffering Coleen.

Now he'll have to brace himself for more anger over Adolf Hitler in his back yard.

The appearance of Hitler on Rooney's doorstep could knock lumps off his house's estimated £20million value, experts have warned.

An estate agent from nearby Knutsford said: "If Hitler did come back from the dead for some reason and hung about less than a mile from your front door, it's unlikely to do anything to improve its saleability."

NASA admit near miss

AN asteroid which had a "close pass" to Earth in July wasn't picked up by NASA until they were told about it just a hours before it shot past us.

Internal emails show the US space agency was caught by surprise by the '2019 OK' asteroid.

It passed around 40,000 miles away from the Earth – a harmless distance – but was the largest rock to have done so in almost 100 years.

Emails obtained through Freedom of Information revealed one NASA worker telling colleagues the asteroid "slipped through the net".

Travelling at 55,000mph and measuring 426ft by 187ft, NASA only realised '2019 OK' was coming 24 hours before it passed.

A source said: "In galactic terms, it was a damn near miss. It would have killed every f**ker."

MP blasts banks for failing sex workers

AN MP has blasted banks for not providing financial services for HOOKERS.

David Limbrick has accused a number of financial institutions of discriminating against sex workers and adult retailers.

In an address, Mr Limbrick said financial entities had refused to provide services to anyone engaged in sex work as well as part-time workers selling adult products.

He said: "There have been cases recently where sex workers have received a letter from the bank, notifying them they need to look elsewhere for banking as their accounts will be closed.

"These policies amount to corporate slut-shaming. It's amazing to think that people in the banking industry think that they have any moral high ground."

Mr Limbrick, an MP for the Australian state of Victoria, singled out Aussie bank NAB as the worst perpetrator, without naming any other banks.

He said: "I'm informed by good people that the worst hypocrites.

"I'll continue to publicly shame NAB until they change this disgraceful policy."

Cook banged up over nick nookie

A FORMER cook at a women's prison in is heading to jail himself for having sex with an inmate in the lock-up's kitchen.

Garth Trail (*above*), once head chef at the Taconic Correctional Facility in Westchester County, New York, was sentenced to four months in jail for "engaging in a sexual act" at the state prison two years ago, according to District Attorney Anthony A. Scarpino Jr.

Trail, 63, resigned just days after prison officials got wind of the forbidden tryst and he was charged with engaging in a criminal sex act with an inmate last year. He pleaded guilty.

In addition to his months in jail, Trail will have 10 years' probation and must register as a sex offender.

NO ORGY BARGY

THE Speaker of the Ugandan parliament has urged MPs not to get drunk or have "reckless sex" during an upcoming Commonwealth Conference in Kampala.

Why won't you return my calls, Paul?

SAUCY TART: Sophie says Paul came to her flat for a night of weird sex

POOR Paul Hollywood doesn't seem to be able to catch a break with the ladies...

The *Bake-Off* star, 53, is set for a showdown in court with both his estranged wife Alex AND his ex-girlfriend Summer Monteys-Fullam.

By SARAH DILLON
news@sundaysport.co.uk

And now he's being stalked by a 46-year-old "sploshing" fan who claims she enjoys "messy sex" involving pastry, whipped cream and fondant in her Billingham flat in Teesside.

Sophie Devizes, who earns up to £100 each month selling videos in which she smears her busters with flan and wears clown make-up, says Hollywood came to her home after she made contact via social media.

She said: "I got a DM from Paul Hollywood which said, 'I love what you do with pastry – can I come to your flat and do sex to you'.

Panting

"I replied, 'Oh aye Paul. Here's my address.' And three hours later he was here, panting for it."

Sophie's description of what ensued is too rude to describe in a family paper but she added: "Paul said he'd keep in touch but he won't even return my calls. I'm absolutely heartbroken."

Last night a source close to Paul Hollywood said he'd "never heard" of Sophie Devizes and had never made a late-night sex dash to Billingham.

Meanwhile, Hollywood's break-up from barmaid Summer, 24, escalated last month after he accused her on social media of "making money selling stories and continuously courting paps."

The famed baker is also set to thrash out a divorce settlement with Alex in a separate courtroom clash later this year.

Naked woman 'shot her neighbour dead'

By BRAD CHADWICK
news@sundaysport.co.uk

A WOMAN has been arrested for fatally shooting her neighbour during a clash over her habit of standing fully NAKED in front of her open window.

Taquana Washington, 34, was taken into custody last week charged with murder and gun possession.

She was nicked after a 22-month long investigation into the shooting death of her neighbour on November 22, 2017.

Washington and several of her neighbours had been involved in a long feud over her refusal to either cover up or close the blinds while walking around her home in the buff.

Starkers

It came to a head on the day of the alleged shooting when one of the neighbours saw Washington starkers in full view of children at play.

She allegedly dismissed the complaints, which prompted the woman to spray her with a dog repellent.

Although the spray missed her, Washington pulled out a .38 calibre revolver and shot the neighbour twice, hitting her once in the back, it's claimed.

Washington then called police to report the incident in South Miami Heights, Florida.

FEUD: Taquana Washington

Paramedics who arrived on the scene found the victim dead about 20 feet from Washington's home. Her name has not been released.

Prosecutors said it took them nearly a year to bring charges against Washington because they had to build a case strong enough to overcome a claim of self-defence.

Records indicate that she has an extensive criminal history which includes shoplifting, resisting arrest, theft, assault and robbery.

At the time of her arrest last week, Washington was under house arrest for refusing to cooperate as a material witness in a 2016 murder.

She is being held without bail awaiting a court appearance.

AS EMMERDALE VICAR BONKS BLOKE IN A CAMPERVAN IN BROAD DAYLIGHT . . .

3-PAGE SPECIAL

SQUEALS ON WHEELS

By WENDY THOMAS
news@sundaysport.co.uk

***EMMERDALE* continued its descent from charming farming drama to smut-filled filth last week by screening scenes of a vicar having sex in a campervan.**

What's more, in violation of God's Laws, the vicar was a woman!

Randy Harriet Finch had it off in a campervan in broad daylight with former violent stalker, Will.

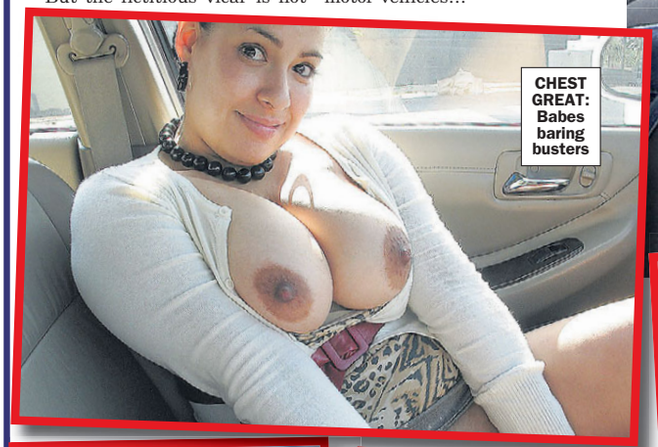
The frustrated vicaress – who is played by actress Katherine Dow Blyton in the ITV soap – is dating him but hiding the romance from most of the village.

Fans took to the internet to describe their disgust, with one ranting: "Why is everyone having sex, also a vicar should know better, she is a disgrace *#emmerdale*"

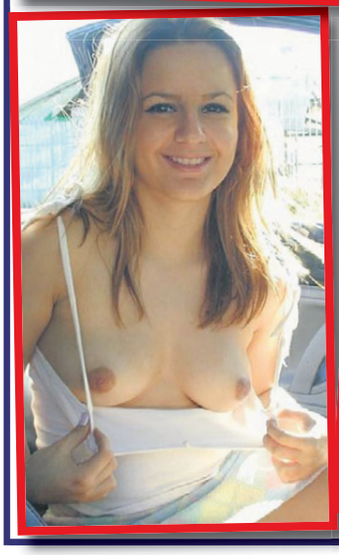
But the fictitious vicar is not the first lady to have her busters out in a motor vehicle.

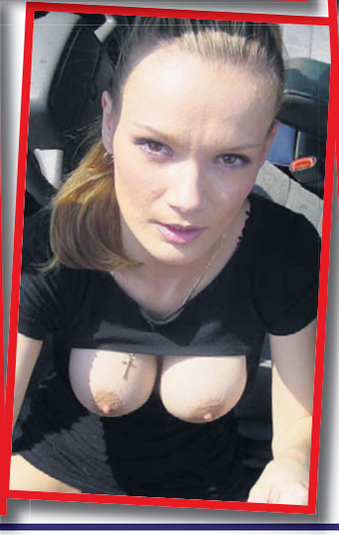
Which is as good a reason as any to print a three-page special of birds with their busters out in motor vehicles…

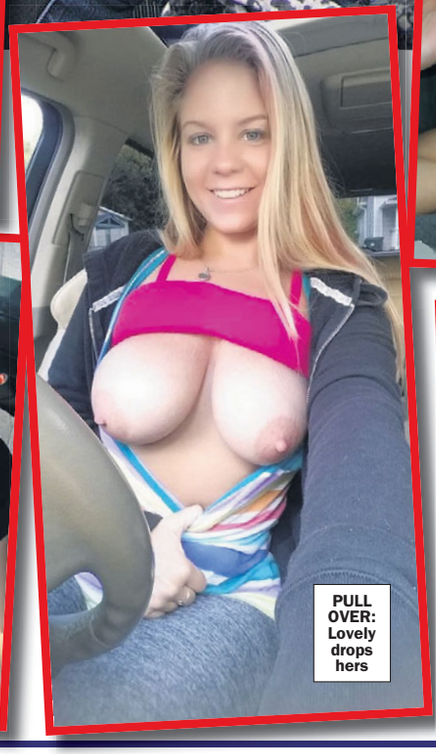
WHERE THERE'S A WHEEL: Hannah bonks Will in soap



CHEST GREAT: Babes baring busters





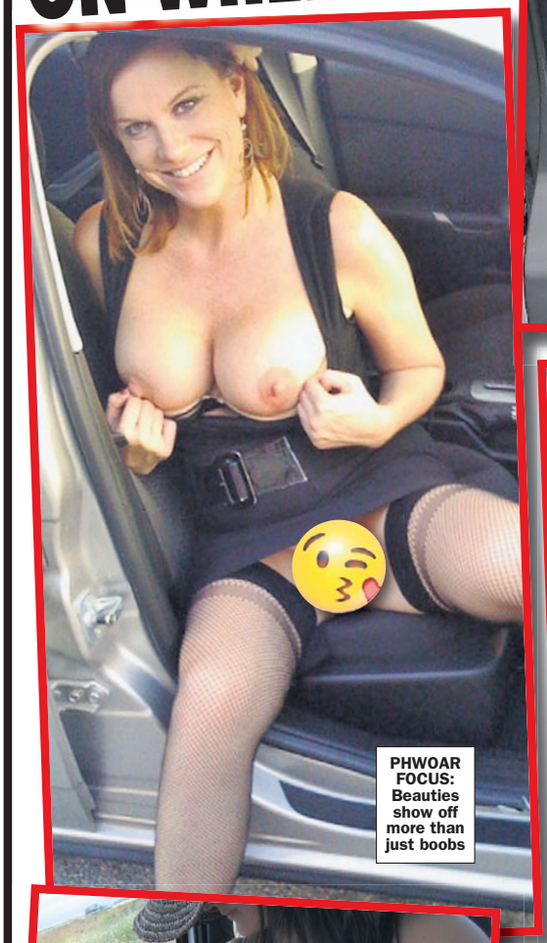


PULL OVER: Lovely drops hers

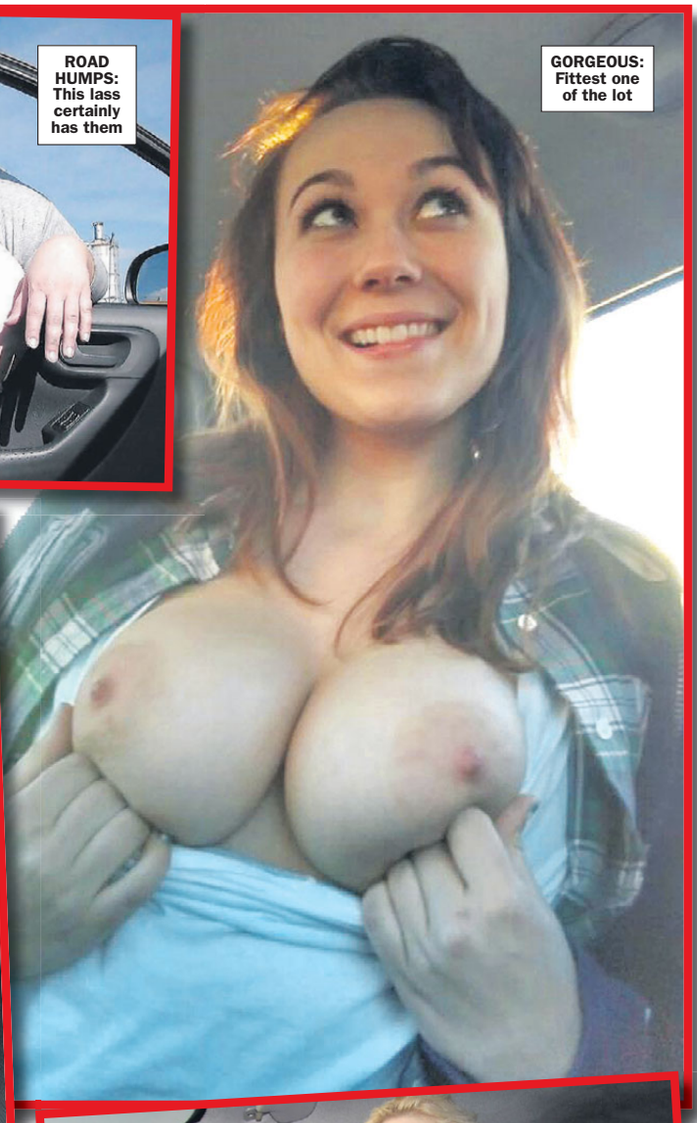
WIDE LOAD: These will take some handling

SQUEALS ON WHEELS

ROAD HUMPS: This lass certainly has them



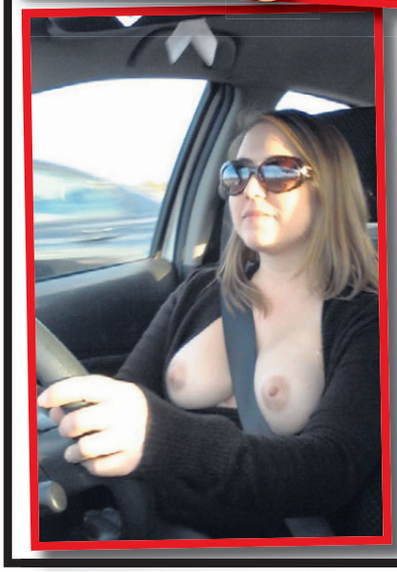
PHWOAR FOCUS: Beauties show off more than just boobs

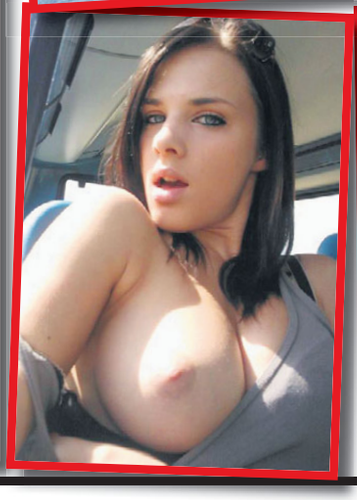


GORGEOUS: Fittest one of the lot

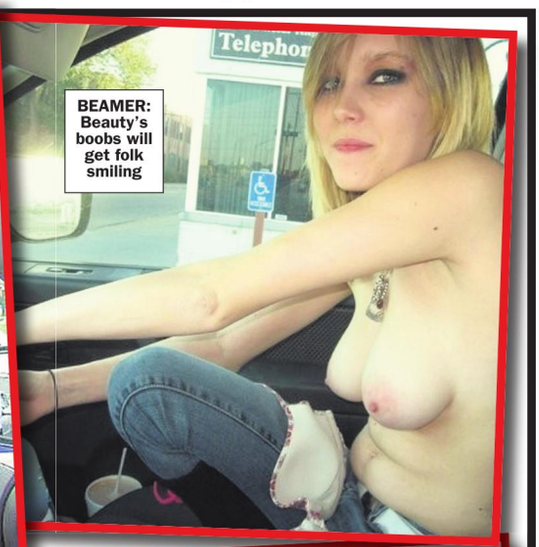
GOING AT A LICK: Girls get their fun at side of the road

WHAT A BELTER: Safety first for topless drivers





KEEP YOUR EYES ON THE RUDE: Tits can be distracting



BEAMER: Beauty's boobs will get folk smiling

MIND THE BUMPERS: Lass gives her pair a check

FULL TANKS: Babe gets ready for a long ride

TITTY-TITTY BANG-BANG: She looks like a right little goer

10 things you might not know about THE QUEEN

THE Queen is all over the news lately.

First she was asked to suspend Parliament by PM Boris Johnson – a move that caused Remainers to have a little tantrum.

And now Her Maj has been dragged into a row over whether or not she "raised an eyebrow" over Scottish independence.

But she remains a mystery. She may be on our money and our stamps but what do we know about her?

Here are a few facts…

1 THE wax museum Madame Tussauds has displayed 23 different life-size models of Her Majesty to date.

2 THE Queen's birthplace, formerly a house in Mayfair, London, is now a Chinese takeaway.

3 DESPITE them being vicious, snappy little buggers, the Queen loves Corgis. Her first one was called Susan.

4 WHEN whales wash up on the UK shore, dead or alive, they immediately become property of the Queen. She keeps them in a special shed at Sandringham.

5 DURING Queen Elizabeth II's reign so far, 14 Prime Ministers have been in office: Winston Churchill, Anthony Eden, Harold Macmillan, Alec Douglas-Home, Harold Wilson, Ted Heath, James Callaghan, Margaret Thatcher, John Major, Tony Blair, Gordon Brown, David Cameron, Theresa May and Boris Johnson.

6 SHE has visited the sets of many popular TV shows including *EastEnders*, *Coronation Street* and *Game of Thrones*.

7 THE Queen is Monarch of 16 of the 53 member states in the Commonwealth of Nations.

8 HER Majesty is the only living head of state in the world to have served during World War II.

9 HER full title in the United Kingdom is: Elizabeth the Second, by the Grace of God, of the United Kingdom of Great Britain and Northern Ireland, and of her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith. But 'Queen' is quicker.

10 EVERY morning, Her Majesty is presented with a breakfast which is made up of cornflakes and porridge oats in Tupperware containers, yoghurt and two varieties of marmalade.

Trouble with the Lib Dems is they are just so CRAP

THE little Lib Dems have been having their little conference in Bournemouth.

After practically disappearing over former leader Nick Clegg's student fees U-turn, the Liberals are enjoying a bit of a purple patch and attract more MPs almost daily.

Of course, this is not to do with people actually voting for the Lib Dems – the Liberal benches are swelling thanks to turncoats who've jumped ship from other political parties.

But, nonetheless, their little tails are up and cheered on by their new leader Jo Swinson, the party's having one of its occasional "Go back to your constituencies and prepare for government" fantasies.

The biggest hurdle that the Lib Dems have to overcome is that they are a bit, well…crap.

Being crap is no bar to being in politics – both Boris Johnson and Jeremy Corbyn prove that.

But the Lib Dems bring their own wishy-washy brand of crap that can only be created by soppy vegetarians.

Last week their candidate for North Devon Kirsten Johnson was on Radio 4.

She was asked by presenter Ross Hawkins why so many people in her constituency voted Leave.

It did not go well.

Kirsten Johnson told listeners: "Um, demographically it's 98% white, we don't have a lot of ethnic

LIB DEMS: Johnson and Swinson

minorities living in North Devon. People aren't exposed to people from other countries. Um, they don't travel a lot, and so I think there is a slight disconnect that North Devon being isolated and being rural and being low income perhaps hasn't appreciated the advantages of being in the European Union."

Essentially the candidate for MP said the people she wanted to vote for her were narrow-minded halfwits who'd never seen a black person.

Strange tactic. No wonder she's now quit.

When Hawkins pressed her, asking what ethnic minorities have to do with the price of mangelwurzels, Johnson babbled: "Um (pause)… I didn't mean to mean that it has anything to do with it at all. Just saying that when I speak to people I am hearing comments to me… when it… it refers to race. (Pause). You have got… you've got me in a corner here.

"I think my concern is the rise of hate crimes and the rise of people (pause)… not being able to accept otherness, and I saw that translated when it comes to some of the Euro-scepticism that I was hearing on the doorstep.

"I do not link all Leave voters to hate crime, I need to make that absolutely clear. I'm just saying that it's a complex view when it comes to who voted Leave, there's lots of reasons people voted Leave."

So the message is clear: Vote Lib Dem – get absolute gibberish.

STOOLS GOLD!

Albanian shit gangs dump Churchill's missing golden loo after swiping plop

DISCARDED: The 18-carat bog (*above*) and (*below*) before it was nicked

HOME: Loo was taken from Blenheim Palace

AN 18-carat gold lavvy that was stolen from Winston Churchill's birthplace has been found FLY-TIPPED in a back alley.

And it's thought Albanian SHIT GANGS were behind the daring heist from Blenheim Palace in Oxfordshire.

Police looking for the golden loo, which was made by Italian artist Maurizio Cattelan, and valued at £4.8million, received a call from a member of the public who spotted the shiny shitter among rubbish in Oxford's rough Blackbird Leys area.

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

A police source said: "We fully expected to have seen the last of that toilet. Everyone thought it would be melted down and smuggled out of the country.

"But here it is, intact and almost as good as new."

Another source at the National Crime Agency said: "Although this seems like a bizarre case, it can be explained in three words: Albanian shit gangs.

"If these boys saw a blocked bog, they would have it away, make off with any stools inside the U-bend and later dump the cistern – even if that cistern is made of pure gold.

"That's who's been at work here – Albanian shit gangs. I'd bet my pension on it."

The artwork, which is fully functioning and called "America", was taken in last Saturday, Thames Valley Police confirmed.

It was fitted opposite the room in which Sir Winston Churchill was born at the 18th-century Oxfordshire estate.

Its removal caused significant flood damage because it had been plumbed in for visitors to use.

The artist later praised the thieves as "great performers" and appeared to make light of the situation, adding: "I always liked heist movies and finally I'm in one of them!"

RAM-BOOBS!

NUDE PAST: Paz Vega in *Sex and Lucia*

GETTING ON A BIT: Sly in latest flick

THE brand new Rambo film is as action-packed and drenched in blood as the others in the movie franchise – even if Sly Stallone is knocking on 73.

In his latest outing, John Rambo is called out of retirement to rescue his niece, played by Yvette Monreal.

The niece has been kidnapped by an evil Mexican drug cartel and it falls to Rambo to kick some ass.

CO-STAR: Paz in *Last Blood*

By SIMON DEAN
simon@sundaysport.co.uk

As it turns out, the "Mexico" in the film is actually filmed in Bulgaria – which is cheaper than Mexico and there are fewer locals wandering into the shot as all the Bulgarians are in Britain, running brothels.

The film has been hammered a bit by critics who say the *Rambo* series has run out of steam – unlike the *Rocky* series, which has been refreshed by the Creed movies.

Still, there's pretty Paz Vega in *Last Blood*.

Paz plays Carmen Delgado, a reporter covering the drug trade in Mexico.

And the 43-year-old Spaniard has a very sexy past – stripping NUDE for the 2001 flick *Sex and Lucia*.

A fan said: "If I had a bird like that waiting for me, I'd say 'I'll be back', too. No, hold on. That's Arnie..."

Fag snares serial killer

COPS have arrested a suspected serial killer who has been linked to the murders of at least four women over a decade.

Robert Hayes, 37, was taken into custody in Palm Beach Co, Florida, and charged with first-degree murder in the March 2016 killing of 32-year-old Rachel Bey.

Hayes *(right)* has also been named a suspect in the three other killings of Julie Green, Laquetta Gunther and Iwana Patton, who were murdered near Daytona Beach between 2005 and 2008.

Investigators used a relative's DNA found on an online database to track Hayes down. A week ago, cops surreptitiously picked up a cigarette butt discarded by Hayes as he was waiting for a bus.

At the time of the Daytona Beach killings, Hayes was a student at the city's Bethune-Cookman University.

It was only through advances in DNA technology that allowed detectives to link Hayes to the Daytona Beach murders, Police Chief Craig Capri said.

"All of these cases are linked by forensic evidence," said State Attorney R.J. Larizza.

Ashleigh: I'm gonna orgasm all over the UK!

By WENDY THOMAS
news@sundaysport.co.uk

HORNY Ashleigh Gee wants to get in the record books by being the first woman to bonk in every county in Britain.

The 34DD beauty from Chelmsford, Essex, says so far she has bonked in 20 counties and is planning a week's driving holiday next month to bump up her figures.

Ashleigh, 25, said: "I'd love to have sex in every county in Britain.

"Next week I will be going to Shropshire, Cheshire, Lancashire and North Yorks – and I'll be bonking at each location I stay in.

"After that I'll be heading over to Northern Ireland and then taking a trip to Scotland.

"According to the list I'm using on Wikipedia there are 100 in total – but I don't care how long it takes to do them all!"

My perfect Sunday...

Kelly McGregor, 30, 32DD, from Stoke-on-Trent

I LOVE GETTING FRUITY IN THE SH

SEXY Kelly reckons the only way to spend a Sunday is by pottering around her allotment.

The babe recently got into gardening and loves getting her hands dirty.

She said: "I started with a few pots in the backyard and somehow ended up on the waiting list for an allotment.

"I got one two years ago and have loved every minute of it.

"It's hard work but it keeps me fit and healthy.

"I'm the youngest on the allotment by far and love to tease old fellas by wearing skimpy shorts and low cut tops while I'm gardening.

"And when the sunshine is out I get quite horny.

"One Sunday a girlfriend was helping me out and we had homemade elderflower wine, which made us horny and we had sex in my shed!"

LEGENDS OF PORN

PART 74 TASHA REIGN

TASHA took her surname from the California strip club – Silver Reign – where she first started working in the adult industry.

By PENNY MARSHALL
news@sundaysport.co.uk

Two years after getting her kit off on stage, she featured in her first fanny out photo shoot for *Penthouse* magazine.

And at the age of 21, while studying at UCLA, she starred in her first porn flick in a girl-girl scene.

But it wasn't long before the blonde bombshell was taking part in see-it-going-in skin flicks.

To date, her movies include *Big Tits at School*, *Slumber Party Cup Cake Sluts* and *Seduced By A Real Lesbian 9*.

Tasha also found mainstream fame when she was featured in Louis Theroux's BBC documentary *Twilight of the Porn Stars*.

But she later attacked the programme for portraying the industry in a negative light.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Redcar in Cleveland...

LOUISE BAKER

AGE: 22
FROM: Redcar
OCCUPATION: Car sales assistant
FAVE DRINK: Red wine
FAVE FOOD: Turkish
FAVE FILM: *Blade Runner 2049*
FAVE ACTOR: Ryan Gosling
FAVE HOLIDAY: Crete

CLARE FOSTER

AGE: 23
FROM: Middlesbrough
OCCUPATION: Bar manager
FAVE DRINK: Gin & tonic
FAVE FOOD: Mexican
FAVE FILM: *Unlocked*
FAVE ACTOR: Orlando Bloom
FAVE HOLIDAY: Spain

ONE-OFFS

CLARE: I've only had the one and I thought it was good. The bloke was experienced so the sex was brilliant.
LOUISE: I've had one as well – it was a huge turn-on because it was so exciting taking someone home for a shag who I'd only met a few hours earlier.

FAVOURITE POSITION

LOUISE: I prefer doing it doggy-style. The main advantage is that you don't have to look at his face if he's minging!
CLARE: I prefer being on top because you get more control and I like being in charge.

FIRST TIME

CLARE: I was 16 and it was with my boyfriend – the sex was pretty good.
LOUISE: I was 16 as well. It was with my first proper boyfriend and I'd say it was pretty average to be honest. We were both nervous because knew what to do.

WORST SEX

LOUISE: It you're too tipsy the sex is usually pretty awful.
CLARE: My worst time was when I shagged one of my close male friends. It was so awk- ward afterwards that it was difficult to remain friends. Worse still he couldn't get it up on the night!

OH-NO MOMENTS

CLARE: My boyfriend's dad heard us shagging once. When we came downstairs to the lounge his dad said to him, 'Well done son, get in there!' But he didn't realise I was stood right behind him. I could never look his dad in the eye again.
LOUISE: My worst time was when I fell asleep halfway through because I was so bored and really tired.

THREESOMES

LOUISE: I've never been in a situation where I could have. I'd like to try it one day though. If it was with two very fit blokes, I would seriously consider it.
CLARE: I've not had one yet, either. Two blokes might be too much to handle, so I'd do it with another woman and a lad.

LESBO ACTION

CLARE: I've snogged pals when I've been on nights out. Nothing further than that.
LOUISE: I've never even snogged any of my mates. I can't imagine kissing another girl – it's not my thing.

BUM FUN

CLARE: Have you tried anal sex?
LOUISE: Yes, once or twice. It was OK but I prefer to have a cock in my front bottom.
CLARE: I have to say I really enjoy it, if I'm in the right mood. I like him to rub my clit while he's up there – it always makes me orgasm hard.

WILLY SIZE

CLARE: The biggest I've had is my current boyfriend, and that's one of the main reasons I'm still with him. It's about eight inches and he really knows how to use it.
LOUISE: The biggest for me was when I went on holiday to Malia in Crete and I met a lad at a party. He was local – not a tourist – and he had a massive one. It must have been at least nine inches!

And he was fantastic with it, too.

Size does matter, but only if they know what to do with it.

OUTDOOR ACTION

CLARE: Do you like shagging outside?
LOUISE: I love it. The thought of getting caught makes it good fun.
CLARE: Where have you done it?
LOUISE: The best place was when I was in Malia. We did it on the beach and it was nice and warm.
CLARE: I enjoy sex outside as well. The most exciting time was in our back garden with my boyfriend.

If my mum or dad had looked out of the window they would have seen us, which was a huge turn-on!

Luckily they were too busy watching telly inside.

SPIT OR SWALLOW

CLARE: I spit but sometimes swallow if it's more convenient. Giving blowjobs is a bit of a chore, to be honest.
LOUISE: Don't you enjoy it?
CLARE: No, it's so bloody boring! But it's something that has to be done. Getting jizz in your mouth is never pleasant either.
LOUISE: I usually swallow as I really don't mind the taste. It goes so far to the back of your throat you have to swallow.

KINKY STUFF

CLARE: Have you tried bondage?
LOUISE: Yes, I quite like it. It makes your sex life more interesting. My favourite thing is using handcuffs.
CLARE: I enjoy using handcuffs as well. It's something different isn't it?
LOUISE: Yes, if you just use them now and again and it's spontaneous, then it's fantastic.
CLARE: I've also used blindfolds and I enjoyed using them as well.

DRESSING UP

CLARE: Do you like dressing up?
LOUISE: I've only ever dressed up once and that was when I bought a naughty nurse's uniform. It was so exciting to put on.
CLARE: I've never dressed up in a costume. I love wearing sexy lingerie though – especially lacy stuff.
LOUISE: Do you rate dressing up then?
CLARE: Yes, it shows a bloke that you're prepared to make the effort.
LOUISE: What costume are you hoping to get next?
CLARE: I've seen a sexy Santa outfit in Ann Summers that I want to buy for Christmas time. Then my boyfriend can unwrap his special Christmas present himself!
LOUISE: I'm hoping to buy a French maid's outfit soon – I like the idea of slipping into it just before my man comes round – and letting him catch me flicking a feather duster round. I'm hoping it leads to a wild session!

SEX TOYS

LOUISE: What sex toys do you have?
CLARE: I've tried using chocolate body paint and that was good. I'm hoping to get a vibrator soon, maybe a Rampant Rabbit.
LOUISE: I've been given a vibrator by one of my friends. It looks great. I haven't got around to testing it out yet.
CLARE: I think it'll be better if my boyfriend uses it on me.
LOUISE: Yes, you'll have to teach him how to use it properly though.

FANTASIES

CLARE: Have you got a naughty fantasy?
LOUISE: Yes – mine is having 24-hour sex with a strong, athletic type under a starlit sky somewhere nice, like Mauritius.
CLARE: What would you do with him?
LOUISE: I think I'd let him take the lead. He'd have to be slightly older, too. That way his sexual experience would help.
CLARE: My fantasy is being marooned on a desert island with the actor Orlando Bloom.
LOUISE: What would you like to do to him?
CLARE: It would be more of a case of what I WOULDN'T like to do with him – that's far easier to answer!

'It must have been at least nine inches... and he was good with it'

TELEVISION X HD

UNI MATES GO MAD FOR SEX!

IT'S that time of year at last as students head off to uni, finally giving the adults a bit of space to get up to some naughty fun.

And Television X, the UK's favourite adult channel, is here to celebrate your sexual freedom with the nation's filthiest girls.

Treat yourself to a cheeky wank, remembering all the booze-fuelled bonking you got up to back in halls.

And if you didn't go in for that further education malarkey, then settle down to the TVX original series 'Freshers' – starring Yuffie Yulan and Alyssa Divine as they discover the sexy side of student life.

Sky customers can watch Television X on Sky Ch 900. To subscribe call 0871 271 6869 or visit www.televisionx.com.

Or watch hundreds of hours of quality British filth and top tottie via our catch-up service Zaucey.com.

The $50m Art Swindle – BBC2, 9pm

DOCUMENTARY telling the remarkable story of a charlatan art dealer who swindled more than $50million from the art establishment before going on the run.

Charming Michel Cohen, originally from France, was a high-school drop-out from a poor background who went on to become a rich and successful New York art dealer.

Cohen was living the high life until he began trading recklessly in the stock market and ran up huge debts.

In an attempt to recoup his losses, he swindled private collectors, auction houses and other art dealers.

Ha! Serves the daft twats right!

Which fizz does the biz?

Coca-Cola vs Pepsi: Cola Wars – C5, 9pm

DOCUMENTARY about the ongoing battle between world-famous brands Pepsi and Coca-Cola to prove which one of them is top of the pops.

The film looks at the secrets of each drink's success and also reveals the strategies and secrets behind the fierce contest between the long-time rivals.

Also under interrogation are their canny marketing ploys and aggressive promotional techniques in their battle to win the never-ending cola war.

OF THE TELLY

By BARNEY SAMUELS

Judgement day for swingers...

Golf: PGA Championship – BBC2, 6pm

EILIDH Barbour presents action from the fourth and final day at Wentworth, where Francesco Molinari upset the odds to emerge victorious last year.

The Italian started the final day with a share of the lead alongside Rory McIlroy *(left)*, who was a strong favourite to take the title.

But Molinari's final four-under-par round of 68 helped him to finish two strokes clear of the Northern Irishman and claim a first prize of nearly a million euros.

With commentary from Peter Alliss, Ken Brown and Andrew Cotter.

McDonald's vs Burger King: Burger Wars – C5, 9pm

DOCUMENTARY examining how the fast food giants grew from humble origins to become two of the most recognisable brands in the world.

The programme assesses the chains' marketing ploys and promotional techniques, while vloggers and food critics compare the rivals' most notable products and the ways in which they are presented.

Fomula One: Singapore Grand Prix Highlights – C4, 7pm

STEVE Jones is joined by David Coulthard and Mark Webber to present action from the 15th round of the season at the Marina Bay Street Circuit.

Ferrari's Charles Leclerc has won the last two races of the championship – at the Belgian and Italian Grands Prix – and will fancy his chances of completing a hat-trick of triumphs.

But reigning world champion Lewis Hamilton still holds a commanding lead at the top of the drivers' standings and the Brit was victorious here last year.

TUESDAY

Live: The Circle – C4, 9.15pm

NEW series. Emma Willis hosts the series asking provocative questions about modern identity, how people portray themselves and how they communicate through social media.

Eight individuals from all walks of life compete in a popularity contest to win a cash prize.

They will all live in one modern block, but separately in individual apartments, interacting with one another exclusively through a bespoke voice-activated social media platform.

Emma is joined in the studio by the contestants' friends and families and last year's winner.

Cakes Galore! Secrets of the Mr Kipling Factory – C5, 9.15pm

A BEHIND-THE-SCENES guide to the Mr Kipling Factory in Carlton, Yorkshire, which first opened in the 1970s and was the largest bakery in Europe at the time.

Members of the workforce provide an insight into the cutting edge technology that keeps the cakes coming 24 hours a day.

Food historian Dr Polly Russell presents a guide to the company's history, revealing how recipes that date back to the 1800s remain popular favourites to this day.

DON'T MISS THIS!!!

Doc Martin – Wednesday, ITV, 9pm

NEW series. Drama series, starring Martin Clunes as a surgeon who is forced to retrain as a GP and takes up a post in a sleepy Cornish village where he soon finds himself at odds with the locals.

In the first of the new series, Martin's medical career remains under scrutiny, as a GMC representative has come to assess him and his surgery.

Meanwhile, Al accidentally proposes to Morwenna and Mrs Tishell has a new lease of life.

Sex Chat Grans Get the Hump

UK Grannies say older is better for Text & Sex

Dirty text sex Grannies, some as old as 85, have been getting the hump when it's suggested they might be past it!

"We're in our prime! Text me and you'll soon find out!" says filthy XXX MILF pornstar Claire Knight. So we bought together the cream of British Granny Fanny so that YOU can put them to the test! These dirty old birds are gagging to send you their disgusting pics and messages so that you can find out for yourself!

We don't charge you to text in & make contact. It's just the price of a normal text message.
£1.50 per text received from 89126. Maximum 3 billed messages per reply.

Sunday Sport SEXY BACK END!

CONNY LOVES HER BUM SEX!

By WENDY THOMAS
news@sundaysport.co.uk

SEX-Mad Conny is one seriously kinky lass – even by Czech standards.

That's because she insists she can only orgasm when she has something up her bumhole!

The Prague-born beauty, 27, reckons the only way to be guaranteed a climax while shagging is to either do her up the arse – or stick a butt plug in and shag her minge.

Conny, who has cracking 32C boobs, said: "I don't know what it is but I can't come from normal shagging.

"But the minute there's something in my back passage I start screaming the house down.

"The best thing is to have a butt plug up there when I riding a hard cock.

"Then I got many, many orgasms in a row.

"It's amazing!"

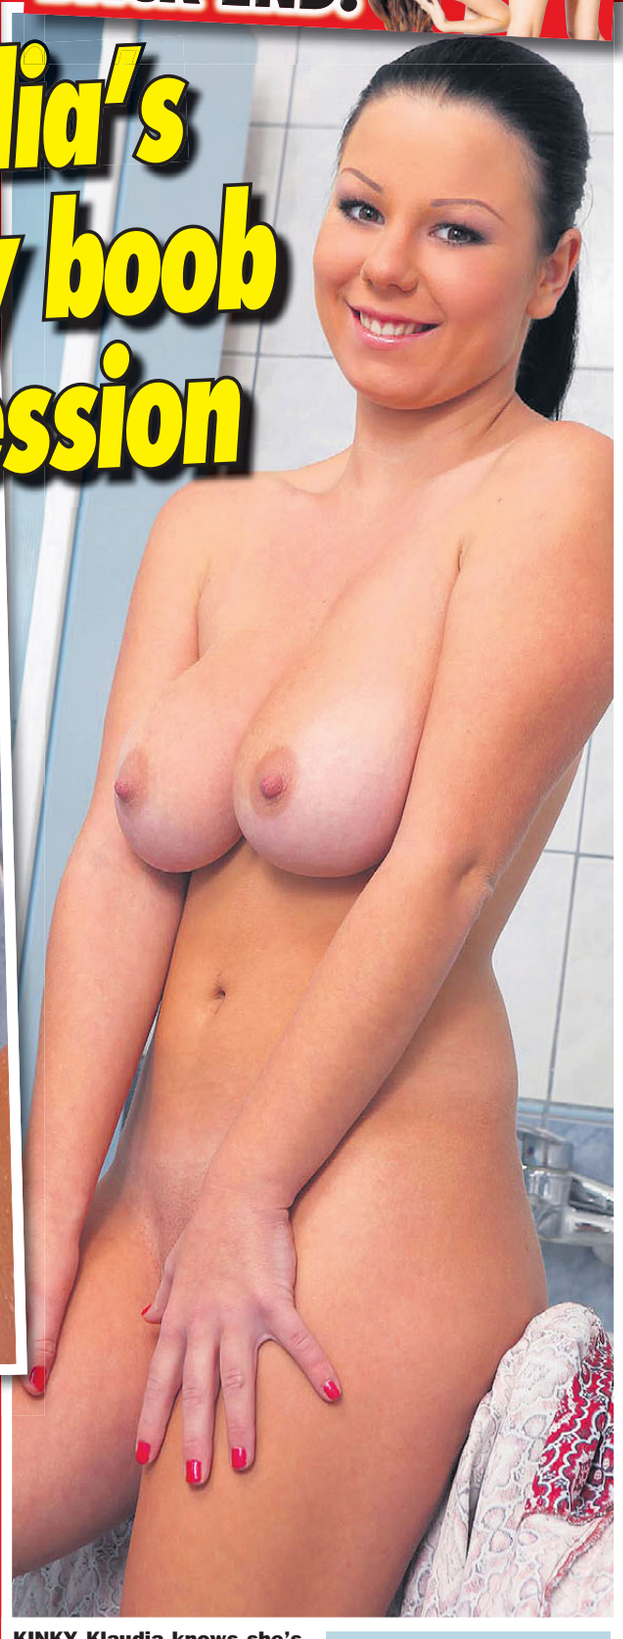
Klaudia's sticky boob confession



KINKY Klaudia knows she's got cracking boobs because blokes are ALWAYS asking to spunk up on them!

The Hungarian-born babe, 25, says she would rather her fella unleashes his load inside her, but guys always want to pull out and jizz over her 32E breasts.

By WENDY THOMAS

Klaudia said: "Personally I love the feel of a man spurting inside me, but they never want to.

"They always want to shoot their man juice over my boobies.

"I guess I should take it as a compliment. At the end of the day it shows I've got a good rack!"

EVA NEEDS A BIG 'UN!

MEGA-BUSTED Eva Notty knows exactly what she likes in a man – a HUGE COCK.

The 36H beauty from Hackney, north London, dismisses claims that size doesn't matter and demands all her lovers pack at least nine inches.

By WENDY THOMAS
news@sundaysport.co.uk

Eva, 32, said: "Some women say it's not what you've got but what you do with it,

"That's bollocks! I want a nice big cock with plenty of girth on it.

"I think it's because I've been in porn films and experienced what it's really like to get banged senseless by a hugE penis.

"You don't get eye-rolling orgasms with a little one.

"Now I make sure all my fellas have a big one – or they don't get near my pussy.

"Sorry lads but life's too short for small cocks."

THE WORLD FAMOUS AGONY Page

Dear Hannah,

I WORK behind the bar in a country hotel and have pulled loads of birds. They're usually businesswomen in their 30s and 40s.

A couple of weeks ago I had a threesome with two busty blondes. They got pissed, invited me up to their rooms and stripped me before sucking my dick.

They then licked each other out before I boned them both. I went up their arses and came on their massive tits.

They were filthy and each gave me £50. The problem is, I've now been offered a really good job, but I would miss the sex and extra cash from working at the hotel.

What should I do?

TH, Oxfordshire

Hannah says...
BE a barman in your spare time.

Dear Hannah,

I WAS called in to our head office for what was labelled a two-day morale-boosting bash after a difficult trading period.

The good news was that I finally got to talk to two of the women I'd been flirting with for ages via e-mail.

We had a great time at the first night's buffet-disco and my morale was definitely boosted when they invited themselves to my room and staged a lesbo show.

Then one gave me a blowjob while the other squatted over my face and slid her wet fanny up and down my tongue.

But is this acceptable work behaviour?

DC, east Midlands

Hannah says...
WHAT happens outside works hours seems fine to me.

Babes love sampling my red-hot sex technique

Dear Hannah,

I'M a 22-year-old fella and I've regularly been praised for my sexual technique.

Recently, a family party ended with me shagging two stunnas – and it was fantastic.

My best mate's girlfriend, who is blonde, and my sister's flatmate, a gorgeous brunette, had gone missing upstairs.

I shot up to the bedroom and caught them snogging each other.

The blonde just smiled and said she had heard all about my "techniques" from my mate.

They walked over to me and my mate's girl then rubbed my stiffening cock.

The blonde babe released my dick and began to suck and lick it, while I started to suck and lick the brunette's tits.

Then they switched roles while the brunette rubbed the blonde's moist pussy.

We made our way to the bed and I licked their hot, wet c**ts.

I pulled the blonde to the bottom of the bed, bent her over and slid my throbbing cock into her dripping fanny.

As I eased it in and out, she moaned with pleasure while licking out my sister's pal.

My sister's mate was next. She lay on her back, a leg over each of my shoulders, as I shagged her hard until we came together.

A couple of minutes later I was rock-hard again and as I was f**king the brunette again in the missionary position, my mate's girl eased a finger into my arse.

Just as I was about to come again, I grabbed my mate's missus and slid my throbbing knob up her arse.

Spraying

The sex was frantic until I pulled out, spraying my spunk all over her back.

We took a rest before the blonde produced a strap-on and f**ked my sister's pal doggy-style as I wanked over them.

I'm now f**king both of them regularly. But my mate's bird has told her sister about the sessions and now she wants some of the action.

What should I do?

DD, Newcastle

Hannah says...

IF you've got the stamina, the more the merrier.

Dear Hannah,

MY wife won't shut up during sex, so I like to imagine I'm shagging someone else when we're at it.

But this is difficult when she's continually rabbiting and going "ooh" and "aah" in my ear.

How can I get her to shut the f**k up while I'm boning her?

PS, Lancs

Hannah says...

IT'S when she doesn't groan that you should worry.

Hannah says...

I'M bloody starving after reading that!

Dorothy likes it ROCK hard!

By WENDY THOMAS
news@sundaysport.co.uk

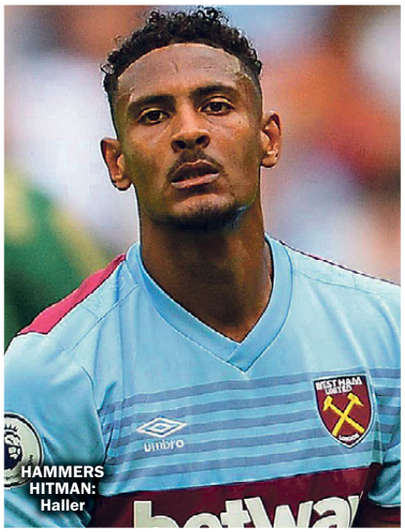
DISHY Dorothy Black has a naughty secret confession – she once used a stick of rock as a sex toy!

The 29-year-old babe from Enfield, north London, says she was having a romantic weekend in Brighton with a lover when they fell out and broke up.

Dorothy, 34DD, said: "I was left alone in a lovely boutique hotel and feeling horny after my man went back to London.

"I saw the rock and thought, 'Why not?' Soon it was up my chuff and I was orgasming like mad!"

CHARLIE McCANN
WITH HIS SPORT ODDS AND ENDS



HAMMERS TO TOPPLE RED DEVILS

FOUR Premier League games in the capital today and Arsenal put behind a disappointing second half at Vicarage Road with an excellent result against Eintracht Frankfurt. They can brush aside the challenge of Aston Villa back at the Emirates with the tip the 11/10 with BetVictor for the Gunners to lead at halftime/fulltime.

West Ham entertain Manchester United in one of the iconic fixtures on the calendar and the tip must go for the Irons – draw no bet – at 11/8. United ground out two 1-0 wins at Old Trafford this week but if there is to be a winner at the London Stadium I think it will be the hosts.

Both sides had disappointing Champions League results midweek, but today's clash between Chelsea and Liverpool is the game of the weekend and, arguably, the first major test of Liverpool's title credentials.

The teams played out a terrific 2-2 draw in the Super Cup in Istanbul last month, but I expect the Reds to pass their Stamford Bridge examination especially if Mason Mount and Antonio Rudiger miss the game injured.

Tammy Abraham has taken the Premier League by storm and his head-to-head with Virgil Van Dijk is a fascinating sub-plot to what promises to be another cracker. Abraham is 6/1 to open the scoring and 10/1 with BetVictor to be the league's top-scorer this term.

We will learn much about the London born striker today. It is a worry that the league's leading scorer so far this campaign – seven alongside Sergio Aguero – has not ruled out switching his international allegiance to Nigeria who he is eligible to play for via his father.

Chances

Note Abraham has played twice for England in friendly internationals in 2017 but not yet in a competitive game.

Liverpool arrive in the capital on a record-breaking run of 14 successive league wins – all by a margin of two or more goals. The Reds are Evens at BetVictor to take all three points with the draw 14/5 and the Blues at 11/4.

The hosts have yet to win at home this term and lost to a Valencia side midweek who had five put past them by Barcelona. Yes, the Blues had their opportunities, including a late penalty miss by Ross Barkley, against the Oranges but this is an outstanding Liverpool side.

Liverpool lost in Naples but it hardly derailed their season last term and I don't think it will this. The Reds front three did have a collective off-night midweek, but they had their chances in Italy and I think they will make Chelsea pay if they have similar opportunities tomorrow.

Mo Salah does not need to prove himself, but he will again want to show the Bridge faithful what might have been had Chelsea boss Jose Mourinho had more belief in the Egyptian.

Salah is 4/1 to open the scoring at BetVictor and Evens to find the back of the net. A 3-1 win for the Reds is 14/1 and that is the more speculative call – although I don't think the Evens for Jurgen Klopp's side to maintain their perfect domestic start will last to kick-off time.

TOP TEAM: Pep Guardiola and Mikel Arteta

City should take Mik when I leave

ARTETA CAN BE NEXT BOSS SAYS GUARDIOLA

PEP Guardiola says he knows who will take over from him as Man City boss — Mikel Arteta.

By ANDY MILLOM

The Blues' No2 is the ideal man for the job according to the Spaniard who is likely to leave in 18 months' time.

Former Everton midfielder Arteta became Pep's assistant in 2016 and has been offered other jobs in the Premier League.

He was heavily linked with the Arsenal hotseat when Arsene Wenger retired.

But the 37-year-old decided to stay at Pep's side. He must have ambtions to be a gaffer in his own right one day.

And Guardiola believes he can fill his boots if he does go when his contract expires in 2021.

Pep said: "He's an incredible human being, with incredible values about what it means in the locker room and to be together.

"He is already an incredible manager and he'll have incredible success in his future.

"I'm pretty sure he could take over, yes.

"He decided to stay but everyone decides what they'll do in the future.

"Sooner or later it's going to happen.

"He's a young young manager but he has experience already to handle big players and teams."

Arteta spent time as a player at PSG and Barcelona as well as the Toffees and Gunners so has experience on the biggest stage.

Guardiola believes he shares many of the same ideas about the game.

Solutions

And that can help City keep the ball rolling when he does decide to move on without going for an outsider.

Pep added: "He has incredible work ethic and he has a special talent to analyse what happens, and to find the solutions.

"We talk a lot about what he believes and feels and so on.

"He has helped me a lot, especially in the first year. He knew the Premier League, like for example in games against Stoke or whatever.

"He can tell me the players we will face better than myself, because he played against them and was in the Premier League for 10 or 11 years.

"That's a long time and that is why he helped me a lot, and he still helps me.

"He's a guy who has this ability to see what happens. When you're off the pitch and on the pitch it's easier, he can do it.

"We see the football in really quite a close way."

JOY OF SIX FOR KLOPP

JURGEN Klopp has challenged his Liverpool stars to improve their away form against the top teams.

The Reds are on a record-breaking run of wins in the Premier League but they have struggled on the road against other top-six sides.

They have lost just ONE of their past 44 matches but have managed just a single success away from Anfield against Chelsea, the Manchester teams, Tottenham and Arsenal in the past two years.

Klopp knows that has to change if the title is to return to the club. He said: "Obviously there are different ways to win away games, and we have to find one.

"It's not good news, this stat, but I don't feel it. I cannot remember all these games.

"There was one at Arsenal where we should have won when Virgil had two no-brainers that he didn't score, the header against the post.

"In 2016, we took points from all the top six and then had other problems, so that's how life is.

"We were often close to winning these games. Against Man City, we lost last year but the margins at the end were so small with the ball not over the line.

"But these are results over an intense period. We were always the club that was in the Champions League the longest.

"The longer things like this happen, the more likely it will change."

Liverpool have won their past six Premier League aways but head to Chelsea today knowing they face a big ask.

Klopp added: "We cannot go to Chelsea and want a guarantee that you win the game, they are just too strong for that.

"Obviously we have a job do but we will prepare for the game without that stat. It's all about the quality of the performance.

"It is not written in the stars that we are not allowed to win at Chelsea but it is difficult."

The Liverpool boss has been impressed with the start Frank Lampard has made to his career as a manager.

Klopp likes the way he has imposed his own ideas on the team and given the club's younger players a chance to come through.

Exciting

The likes of Tammy Abraham and Mason Mount already look to have taken a step forward since Lampard took the reins.

Klopp added: "It's not my job to talk about other managers but he did an outstanding job at Derby, so I'm not surprised he's doing a really good job at Chelsea.

"I really think he's a really good manager. It's a really exciting team. It reminds me a little bit of my team at Dortmund years back.

"They were really young and people always spoke about that, but they only played because they were that good.

"If there was one club in the world where a transfer ban didn't hit that bad, it was Chelsea because of the transfer policy in the last few years with players, high quality players, on loan.

"They are just a good team, they have all my respect. They are a proper contender for everything. Now we play there and we want to get something."

D-day for struggling Saints at Pompey

SOUTHAMPTON are desperate to avoid a second derby defeat in a week.

The Saints were well beaten 3-1 by neighbours Bournemouth on Friday night.

It was the first time the Cherries had ever beaten them on their own patch.

Now they face a crunch clash against Portsmouth in the Carabao Cup at Fratton Park.

Pompey are the Saints' deadliest rivals but have fallen down the leagues in recent years.

That means they haven't clashed so much lately and it puts extra spice on the match.

Saints midfielder Oriel Romeu is determined to give the fans something to smile about.

He said: "Sometimes things just don't fall the way you want to see them, and that's football. I'm sure we will react, I'm sure we will do better.

"We have a massive one now ahead and we're all very, very excited about that game to get back to the winning feelings and sensations and to start building something good again.

Success

"There needs to be a reaction surely now and we want to prove that we are not a team that loses and does nothing about it.

"We know how important it is, we know how tough it will be over there, we know it will be a battle but we are ready for it and we want to get that very important win for us, and the fans, and the club."

For Bournemouth, the win at the Saints came on top of a comfortable success against Everton.

That took them up to third place in the early table. But boss Eddie Howe thinks his players have a lot more to offer.

He said: "We feel we were at probably 60 per cent at Southampton, we know there's a lot more to come from the team but that's a very good thing to say on the back of winning against Everton.

"To win away in any ground in the Premier League really is so difficult and we really do respect Southampton.

"I still feel there's a lot more to come from everyone in the team, a very good sign if you say that while you are winning.

"We've got work to do and that's why it is important we stay grounded."

VARDY 'BETTER THAN KANE'

LEICESTER boss Brendan Rodgers says he would never swap Jamie Vardy for Harry Kane.

The Tottenham hitman is regarded as one of the top strikers in Europe and, at 26, could have his best years to come.

But Rodgers prefers the talents of Vardy who is 32 but having another excellent season for the Foxes.

He said: "Harry is very different to Jamie.

Liverpool manager and Harry was on bench for Tottenham then so the strides he has made over those years has been brilliant.

"The goals he has scored — he's become a real talisman for Tottenham and for his country."

Rodgers prefers a speedier striker than Kane though and thinks Vardy is the ideal man for his team.

Since the Northern Irishman took over at the King Power the hitman has banged in 13 goals.

Rodgers says those figures speak for themselves.

He added: "Harry is a top, top player but I wouldn't swap Jamie.

"I have worked closely with Jamie for some time now and there's not many in world football you would swap him for.

"He's just got this incredible knack in terms of pressing the game and reading the game, and tactically he is so good. He has that hunger and that appetite, desire and speed to get in behind and stretch the game and score. I like that kind of striker.

"At this level, in the most competitive league in the world, he is right up there with the elite strikers in the world and I am very fortunate to have him.

"Jamie's record over his time here shows he's right up there, that's for sure.

"I don't think there's any doubt he's up there alongside Harry."

HAAL TO PLAY FOR

Big clubs chase wonderkid striker

STAR: Haaland

MANCHESTER United are leading the hunt for Erling Braut Haaland.

The Norwegian teenager has hit the headlines thanks to some sparking displays for Red Bull Salzburg.

He banged in a Champions League hat-trick for the Austrians and has close links with the Reds — even though his dad is a City legend.

By JOHN ANTHONY

Haaland jr is the son of Alf Inge Haaland who patrolled midfield for the Blues and Leeds.

The 19-year-old was born in Yorkshire but was signed for Molde by United gaffer Ole Gunnar Solskjaer before he headed to Salzburg in the summer.

Haaland jr would have to change his allegiances to become a United player.

He is a Leeds fan and has made it clear that he would like to play for the Yorkshire giants.

The teenager said: "I want to be the best possible. The dream is to win the Premier League with Leeds.

"In addition, the goal is to become a better player than my dad was. I hope to get more caps than he did."

But a United bid could change all that with Solskjaer keen for a reunion at the end of this season.
